MESSAGE FROM SHRI REJITH KUMAR

Shri Rejith Kumar

i) Message relating to Sri Thirumoolar Siddhar's connection with the LMRK Mission on 14-02-20

Vanakkam. Many of our members had requested me to pray regarding the Corona Virus outbreak. I have prayed to Lord Muruga and I would like to share the message that I have received. As you might be aware that in this Muruga Yugam, each Siddhar has been assigned a specific responsibility. For example, Nandi Devar is responsible for Political Affairs and Babaji for World Peace. **Similarly, I have received a message from Muruga Peruman that 'Thirumoolar Siddhar' would be responsible for resolving the major diseases affecting the world. We need to pray to Thirumoolar Siddhar for**

resolving the Corona Virus impact throughout the world. With Muruga Peruman's and Thirumoolar Siddhar's blessings, the Corona Virus issue will be resolved soon.

Om Saravana Bhavaya Namaha.

ii) Shri Rejith Kumar's Message to LMRK Members after the Pazhani-Switzerland Selva Thiruvizha on 27-02-20

My heartfelt thanks to all our LMRK members who joined in the Selva Thiruvizha at Pazhani and made this event a grand success. I prefer not to specify names but I personally appreciate and thank all the wonderful volunteers who have helped and coordinated this important duty of LMRK. Thanks to everyone who have contributed to the event and prayed for its success.

Special thanks to our overseas members who flew all the way from various countries and graced this event. It was heartening to see everyone's support and cooperation throughout the event. My sincere prayers are with you. May everyone get Muruga Peruman's blessings!

Om Saravana Bhavaya Namaha.

iii) Shri Rejith Kumar's Message to all Members to pray regarding the Corona Virus during his visit to Chidambaram on 09-03-20

Vanakkam. I will be praying at Thirumoolar Siddhar's Samadhi from 7.30 PM to 7.45 PM (IST) for resolving the Corona Virus issue throughout the world. I request everyone to pray to Thirumoolar Siddhar and Muruga Peruman at the same time and chant 'Om Saravana Bhavaya Namaha'. With the help of Thirumoolar Siddhar's and Muruga Peruman's blessings, the Corona Virus issue would soon be resolved throughout the world.

Om Saravana Bhavaya Namaha.

iv) Shri Rejith Kumar's Message to All LMRK Members on 30-03-20

My heartfelt thanks to all LMRK members for your birthday wishes. I have been continuously praying to Muruga Peruman for the protection of you and your family at this time. My prayers and care will be there for you always. May everyone get Muruga Peruman's blessings!

v) Voice Message Extract of Shri Rejith Kumar relating to Corona Virus on 03-04-20

Vanakkam. As you might be aware, I have been doing prayers and deep meditation for the last 9 days. Corona Virus has affected many countries. All Governments, doctors, and health care workers are working hard to fight against this disease. As a spiritual person and a devotee of Muruga Peruman, with Muruga Peruman's blessings, protection, and sanction, I have done prayers and meditation for the world's welfare for 9 days. Many of our members have been sending messages to me. Earlier I had said that I would speak through Facebook live on March 31st and once before that, but these got cancelled. During the past 2 days (April 1st & 2nd), I have been checking on the progress of the disease. I feel the situation was not that critical before March 31st but currently, it has become severe. With Muruga Peruman's blessings, protection, and sanction, I will pray and do deep meditation for the next 10 days. You may call me during that time if required. The next 10 days are going to be very important. **The lives of the LMRK members and their families are very important to me, nothing should happen to you, so I must do the prayers for your protection.**

In India especially, there should not be a community spread of the disease, as it is a densely populated country and this would affect the people severely and this requires me to do deep meditation. Similarly, we have our members presence in many other countries in the world, the disease spread should be contained in those countries, I will be praying for that and will be praying especially for Italy. Everyone, please pray during the next 10 days, from 10.00 AM to 10.15 AM or from 10.00 PM to 10.15 PM or you may pray at any other convenient time.

I would like to reiterate one thing importantly, the well-being of our LMRK members and their families are very important to me, my prayers will be there for sure. With Muruga Peruman's blessings, this prayer and deep meditation are for a speedy recovery from the Corona issue all over the world. May everyone get Muruga Peruman's blessings!

Om Saravana Bhavaya Namaha.

I am very much happy that this duty has correctly happened with His blessings and protection. **With His blessings He has incarnated as Lord Kuzhandhai Velayudha Swamy in the Navapashana form in Switzerland at Zero Time.** Tomorrow after meditation (IST) through Facebook Live at 10.30 AM; I will share the details. May everyone get Muruga Peruman's blessings!

vii) Shri Rejith Kumar’s Message after Pradishta in Switzerland (Facebook Live) on 12-04-20 at 10.30 AM (IST)

To All of you Vanakkam! To all LMRK Members, followers of LMRK, worldwide devotees of Muruga Peruman my Vanakkam! Today at Zero time (12.00 AM) in Switzerland, Muruga Peruman as Kuzhandhai Velayudha Swamy in the Navapashana Moorthy form has begun His Avatarhood. This video is to convey this message by coming live on Facebook. Another thing I wish to convey is that this is a time when the Corona Virus is impacting many people. Those who are serving these people such as Government officials, leaders of countries, doctors, officials, nurses, and health workers, my big salute to them. A big thank you for all their hard work.

This is a time when the world seems to be stuck in one place i.e. in a zero state. There is no movement. These kinds of events happen whenever there is a big change in history. In world history, a problem would come due to which the whole world would get stuck, after which a new Avatar would come to protect the world and take it forward. Such a similar thing is going to happen now. I have two or three things to share regarding this.

Lion Mayura Royal Kingdom (LMRK) is a mission that was started on 01-05-2017 in Pazhani Malai under Muruga Peruman’s direction for doing duties given by Muruga Peruman. I have to share certain things that happened before that. In 2013, an energy shift happened in the world, when a lot of Karthigai or Pleiadian star cluster energies descended on Earth. It was a time when many facts about Kumari Kandam began to come out, that was the time Muruga Yugam began in 2013. It is to extend for 2,000 years.

For the human body, there is an astral body. For a person when anything good or bad has to happen, it will first impact the astral body and only then it will impact the physical body. Similarly, for the Earth, there is a physical Earth as well as an astral Earth. So, when a factor controlling the whole world has to be changed in Earth’s history (i.e. Money) the changes will first happen in the astral before it is applied to the physical. In 2013, during the Muruga Yugam, the changes happened in the astral body of the earth. During the reign of Muruga Peruman when problems occur, it is He who will resolve it.

In 2018, with Muruga Peruman’s blessings and direction we had performed our first duty. What was the first duty? To begin the Muruga Yugam, we definitely needed a Mayura Simhasanam for Muruga Peruman. We made the Mayura Simhasanam and we did pooja at Pazhani Malai and performed its pradishta at the ‘Thanthondri Anjaneyar’ temple in Wales. Why Wales? It is because it is in the Zero Time Zone. Everything begins at Zero. To establish Muruga Peruman’s energy at the Zero Time Zone, the pradishta of the Mayura Simhasanam was done there, to facilitate the spread of Muruga Peruman’s energy throughout the world.

After this, we got a Second duty. There are two things I would like to share relating to this. There are two parts relating to the Second duty. At that time, I knew only about the first part but was unaware of the

second part. I had told all of you the message relating to this in April 2019. As per the message given by Muruga Peruman: Under Muruga Peruman's direction, a pooja had to be done to the Moorthy of Muruga Peruman in Pazhani Malai before His pradishta in Switzerland. There is a reason why it had to be done in Switzerland. It is a place where 'Money Energy' can be found. This is the reason why money from various countries is sent to Switzerland, it is because of the money energy present there. It is not a simple coincidence. When Muruga Peruman manifests His presence on that energy, then Money would come under the control of Muruga Peruman in the Muruga Yugam. Only Muruga Peruman can decide how it would come under His control in the Muruga Yugam.

To facilitate this a Moorthy of Muruga Peruman had to be created and pooja had to be performed for Him in Pazhani Malai before He was sent to Switzerland for Pradishta on Easter day(12-04-20) under Muruga Peruman's direction. This was the message I had received from Muruga Peruman last April, which I had shared with all of you.

After I shared this message, many LMRK members came forward to help in this duty. At this time, I received a Moorthy of Muruga Peruman with Muruga Peruman's blessings, and after that, we got the Moorthy of Sri Anjaneyar. A lot of people got involved in this and extended help and after that on 21-02-20, a grand function was held at Pazhani Malai, and near Pazhani, pooja's were performed in Anjaneyar Malai and Aivar Malai and then the Moorthy of Muruga Peruman was sent to Switzerland. By then the world had changed very drastically.

Last year, in April when I had shared the message with Muruga Peruman's blessings the way things were then, it is not so now. I had shared that after the pradishta, money control would come under the control of Muruga Peruman and this would cause many changes in the world as regards money control. The currency which is controlling the monetary system currently will change and currencies from new countries will dominate the monetary system. There will be a new monetary system after the completion of the pradishta. How this would happen even I am not aware of it. I shared the message as given by Muruga Peruman and started the duty. The world, however, had changed to a great extent before the Pradishta. I never knew or thought this would happen. But between starting work for the duty and doing the pradishta a lot of changes have happened. Just the way the world is stuck at zero state, the global finances are also stuck very badly. Many experts say that a financial crisis is going to happen, and many problems are going to arise because of this. This theory is supported by many studies.

Two days earlier I had read a message given by Mr. Ratan Tata, the Chairman of the Tata group. He had contributed 1.5 crores to the Government which is a very commendable action from his end. He shared that if it is only as per what the experts say, during the World War, the experts had predicted that Japan's economy would go down after the atom bomb incident, and not recover. Its economy, however, did recover inspite of what the financial experts had predicted. Such things have also earlier happened in history. **Certain things have happened inspite of what the experts have had to say. Only such things are going to happen now.**

With Muruga Peruman's blessing, inspite of money currently being stuck at zero, and inspite of what the financial experts say that a financial crisis is to happen; since it is a time for 'moving money' lot of changes are going to happen. The currencies in the world will become very powerful i.e. the currencies

in many countries related to Kumarikandam currency are going to become powerful i.e. in Australia, Singapore, and India. With Muruga Peruman's blessings, it is going to start. It is not something that will happen in a day or two. In the future, it is going to happen without anyone's knowledge. With Muruga Peruman's grace and blessings, the money control system itself will change and a new monetary system will emerge, new currencies will become powerful and there is a chance that there maybe a new type of money instead of the currency. Such things the world is going to witness.

The second part of the duty I got to know only now. I was not aware of this when I received the message with Muruga Peruman's blessings. I was told that I had to do pooja for the idols at Pazhani and perform a pradishta in Switzerland. The idol found me by the blessings of Muruga Peruman through our LMRK member Mr. Ramesh who works in Switzerland and lives in Singapore. He had received the idol from His Guru and he gave this idol to me to do pooja at Pazhani and pradishta in Switzerland. This idol was a Navapashana idol. Actually, at the time of receiving this idol, I had just thought that this idol has come for the pooja to be done in Pazhani and its pradishta in Switzerland.

Now when I look back in amazement, in a time when people are facing a lot of problems and the world is stuck because of the disease, Muruga Peruman has made His Avataric presence in the Navapashanam form. **Navapashanam is the highest form of medicine.** In Pazhani Malai, Muruga Peruman's idol was made in Navapashanam and He has been blessing the people for many years now in this form.

When Muruga Peruman thus makes His Avataric presence in a Navapashana form He is definitely going to heal the world through His blessings and people are going to benefit a lot through this. Where has He manifested His Avatarhood? It is only in Switzerland He has manifested His Avatarhood. It is in Europe people are most affected by Corona. A lot of people have been affected because of this. When He is going to manifest His presence there, there is going to be healing in Europe by Him. The whole world is going to be cured of this Corona disease because of Him and people are going to get a new and better life with Muruga Peruman's blessings. This has nothing to do with me, it's all His blessings and decision.

When I started this duty last year, I was not aware a pandemic was to happen or that a Navapashana idol would come to me. Correctly only at this time, the pradishta had to be done. Last year at the time of receiving the message I was not aware nor did anyone know about how this disease would come like this or that the world would get stuck by this. **Last year when I was given the message to do the pradishta, or when I received the idol, little did I know, that at the time of doing the Pradishta, the world would be affected by this disease and that He Himself would come as an Avatar in His Navapashana form to heal people. It is definitely a very significant and big blessing of His.**

There are two more significances related to the Pradishta. First, it's an Easter day and everyone knows about the significance of Easter day. The second is its being the 'International Day of Human Space Flight'. It was on the 12th of April 1961, Mr. Yuri Gagarin, the first human travelled to Space.

When I was 10 or 11 years old, I got a book on Mr. Yuri Gagarin's life history. I was very interested in it and I had read the book about 3 or 4 times. I was a big fan of his after that. After that many years later, I think it was in 2013, I had entered my spiritual path by then, I visited the city of Moscow in Russia under

Muruga Peruman's direction. In Moscow, when I had gone out for sightseeing, I visited the great Russian leader Lenin's resting place at Red square. As I was walking out, a Russian lady suddenly ran towards me, and even though she did not know me, she spoke excitedly to me in Russian. When I asked my guide as to her communication, he informed me that I was standing near the resting place of Mr. Yuri Gagarin. I was shocked to hear this, and after praying and paying my respects to Mr. Yuri Gagarin for some time, I left that place.

Last week, at my old house, when my daughter was searching through some books, she found the same old book on Yuri Gagarin's life history, which I had forgotten about, as it had been quite a while. When I got the book, I also got a doubt. **Is there a connection between these two – Easter and the Human Space aspect and the pradishta of Muruga Peruman? Definitely, there is a connection between them.** However, I will not share anything about this right now, the connection will become known to you in the future.

Another thing which I had shared was the reading of the Kandha Puranam and praying at a certain time (on 12-04-20 at exactly 12 AM). Now we have done the pradishta of the Navapashana Moorthy and we are going to receive His healing and blessings in Europe, India, and throughout the whole world. In history or the Puranas, whenever the world is facing problems an Avatar would come and clear it and a change would happen. In the same way, when the world is facing a lot of problems related to the Corona Virus now, Muruga Peruman has manifested His Avatarhood in the Navapashana form. Then His healing also will be received in the world by its people i.e. all of you.

(Shri Rejith Kumar showed the photo of the Navapashana Moorthy of Lord Kuzhandhai Velayudha Swamy). **It is the photo of Muruga Peruman for whom we have just done the pradishta. Please do one thing, all of you download this photo of Muruga Peruman, please keep the photo of Muruga Peruman in your homes. Please tell all your friends, you will definitely receive healing related to the disease and blessings related to money.** It is that powerful. Kindly don't mistake me, I am just conveying the message that I have received. This will be placed on our website. Please download this photo and give it to all your friends and relatives, so that they may receive the blessings and healing of Muruga Peruman. There are only two things related to this pradishta one is relating to the healing of the disease - a blessing of the Navapashana Moorthy. This is the reason the Muruga Peruman has manifested His presence there.

On 14-04-20, i.e. Tamil New Year's Day, all of you please light a lamp before this photo and offer your prayers. For Malayalee's, it would be Vishu. Please take a photograph of this and post it in our WhatsApp groups. All of you will get Muruga Peruman's blessings. The Tamil New year is a very special day and it is also the last day we are reading the Kandha Puranam. On this day, a special pooja is to be performed for Muruga Peruman in Reunion Island under His direction. I have called and informed accordingly. **Reunion Island as you all know is a part of Kumarikandam and found near Madagascar and its soil is considered sacred. It is the place where Muruga Peruman had left the imprints of His Holy Feet. At such a holy place, I have asked for a special pooja to be performed for the welfare of the world for Muruga Peruman on Tamil New Year's Day. And with prayers that the world is relieved of problems like the Corona and that everyone gets a fresh start.** With the blessings and directions given by Muruga Peruman's message, I have informed Mrs.Bhavani from Reunion Island regarding this pooja. She will

perform the pooja with the help of a priest. On the same date, please place this photo of Muruga Peruman at home, light a lamp before it, and offer your prayers. Please upload this photo in the WhatsApp group and on your Facebook.

We will have a zoom meeting for LMRK Groups on 14-04-20 at 10.30 AM (IST) for our members from Australia, Singapore, Malaysia, India, Middle East, Mongolia, and Japan. For Europe and America, there would be a meeting at 10.00 PM (IST). All of you please attend, if you have any doubt about this, please ask me, I will clarify.

To summarise - This is a very big milestone in Muruga Yugam. In Switzerland at Zero time (12 AM), Muruga Peruman has manifested His Avataric presence in the Navapashanam form. Two things will happen due to this. First, there will be a big change concerning money in the world and it will be favourable to the countries related to Kumari Kandam. Second, Muruga Peruman in His Navapashana form is going to heal the world of this disease. All of you will get this healing and the world will be cured of this disease and with His blessing's things will get better. Please download this photo and do your prayers. May you get His blessings and healing! May everyone get Muruga Peruman's blessings! Om Saravana Bhavaya Namaha.

viii) Shri Rejith Kumar's Message for Europe LMRK Members through Facebook on 12-04-20

Vanakkam. This video is especially for the people of Europe. The Corona Virus has deeply impacted Europe. I have a news of special blessing which I would like to convey to all of you through this video. Today, on the 12th of April 2020 on Easter day, exactly at 12:00 AM (Zero Time) in Switzerland, Muruga Peruman has manifested His Avataric presence in the Navapashana form. As per the direction and as per the message given to be me by Muruga Peruman last year (April 2019), we conducted special prayers on 21-02-20 for the Navapashana Moorthy at Anjaneyar Malai, Aivar Malai (both places are near Pazhani) and at Pazhani Malai. After a Maha Girivalam, the Moorthy was brought to Switzerland and then today (12-04-20) at 12:00 AM (Zero Time) the pradishta of Muruga Peruman's Moorthy was performed.

Muruga Peruman has manifested His Avataric presence in a Navapashana form. Navapashanam is the medicine for all diseases. It is the highest medicine, that is why Bogar Siddhar had done a pradishta of Muruga Peruman as a Navapashana Moorthy at the Pazhani temple for human welfare. Now Muruga Peruman has come to Europe in the Navapashana form. To overcome the Corona disease or any other disease if possible, visit Switzerland (where the pradishta has been done) and offer your prayers there. Otherwise, you can download the photo of the Navapashana form of Muruga Peruman from the LMRK Facebook page and place it in your pooja room. You will get the blessings from Muruga Peruman relating to your finances or as healing for health-related issues. Do make sure you download this photo of Muruga Peruman from the Facebook page of Lion Mayura Royal Kingdom and keep the photo in your home. You will definitely get the blessings and healing of Muruga Peruman. We will be posting the address and phone number of the pradishta place in Switzerland at the end of this video. If possible, please visit and offer your prayers there, to bring prosperity in your lives. May everyone get the blessings of Muruga Peruman!

Om Saravana Bhavaya Namaha.

PAZHANI-SWITZERLAND SELVA THIRUVIZHA

The Lion Mayura Royal Kingdom (LMRK) Mission received its Second duty during Shri Rejith Kumar's visit to Shambala Point at the Khamarin Khiid Monastery located in Mongolia. Shri Rejith Kumar was directed by Muruga Peruman regarding this duty in June 2019 that (i) Special poojas must be conducted for the Moorthies of Muruga Peruman and Sri Anjaneyar at Anjaneyar Malai and Aivar Malai followed by Girivalam around Pazhani Malai on Maha Shivarathiri day (21-02-20) and (ii) The Pradishta of the Moorthies was to be performed on Easter day (12-04-20).

Shri Rejith Kumar *shared with the LMRK Members that as per Muruga Peruman's revelation to him "The pradishta in Switzerland will ensure beneficial changes in the Global Monetary System and bring about financial prosperity to the world at large"*. It was further revealed by Muruga Peruman that the LMRK Members who help in carrying out this divine duty will receive abundant Kumari Kandam energies. This in turn will enable them to progress both spiritually as well as materially in their lives.

Shri Rejith Kumar apart from sharing the significance of the Second duty earnestly requested all LMRK members to step forward and carry out their respective roles in carrying out the Second duty and reminded them that they had joined the LMRK Mission under the direction of Muruga Peruman to carry out the duties given to them. Shri Rejith Kumar started the '**Royal Council LMRK**' group on 19-06-19 through which he added about 120 LMRK members who had worked initially for the First duty and those who showed interest in

volunteering for the Second duty. Shri Rejith Kumar also announced that on the successful completion of the Second duty they would receive the **Seven Rays** first step energy through him.

The LMRK members from various came forward to plan and organise the '**Pazhani-Switzerland Selva Thiruvizha**' which was to be conducted at a grand scale in Pazhani to honour the Moorthies before They were sent to Switzerland. It broadly comprised of following activities – Raising funds, Getting the Moorthies and their accessories ready before the Thiruvizha, and the Planning and Organizing of the Pazhani Thiruvizha. Members from various countries came forward to contribute by contributing towards making or procuring the Moorthies and their accessories, sponsoring the various activities of the Thiruvizha, and contributing their time and effort in the planning and execution of activities necessary for the Thiruvizha.

Muruga Peruman and Sri Anjaneyar Moorthies

Muruga Peruman is the unseen director behind the divine duties being carried out and this sacred duty was no exception. Even before Shri Rejith Kumar received the direction regarding the Second duty, he received a Navapashana Moorthy of Muruga Peruman from Mr. Ramesh Jayaraman an LMRK member from Singapore. This special Moorthy was earlier received by Mr. Ramesh from his Guru Sri Swamy Narayana Theerth, Shankaracharya and Pontiff of Sri Kalikamba Peetam in Gangotri. Shri Rejith Kumar much to his amazement soon after received the direction to perform the pradishta of Muruga Peruman in Switzerland. It is significant to know that Mr. Ramesh is connected with Switzerland workwise. Shri Ramesh also contributed the

Moorthy of Sri Anjaneyar (Sri Shanthi Yoga Hanuman) for the Second duty.

Pazhani - Switzerland Selva Thiruvizha 21-02-20

The most important event for which the LMRK Members had been working hard and eagerly waiting for the last few months had finally arrived. As the day broke the Savalakara Mandapam came alive with the volunteers getting ready and arranging the breakfast preparations. While some volunteers made sure that the members were properly fed breakfast, the others took care of the alankaram of the Moorthies and getting the transportation and pooja items ready to head towards Anjaneyar and Aivar Malai. Mrs. Ramani, Mr. Krishna, and Dr. Nirmala Umashankar contributed and helped in organising the Pooja vessels and items required for the events. Members from Chennai, Coimbatore, Bengaluru, Kerala, Malaysia,

Lord Muruga, Lord Kuzhandhai Velayudha Swamy and Sri Anjaneyar at the Savalakara Mandapam

Singapore, U.K, U.S.A, and Australia, met each other happily and excitedly waited for the events to begin.

The Moorthies of Muruga Peruman, Lord Kuzhandhai Velayudha Swamy and Sri Anjaneyar

were kept in the very same place as that of the Mayura Simhasanam during the previous Pazhani Thiruvizha. Everyone wanted to have a glimpse of the Moorthies. The beautiful Silver Vel was placed next to Lord Kuzhandhai Velayudha Swamy. LMRK Members began to offer flowers along with their prayers to the Moorthies.

Around 8.00 AM, Shri Rejith Kumar offered prayers to the Idols and did Karpooa Aarthi. Mrs. Ramani sang devotional songs on Muruga Peruman which spiritually uplifted the members. The members expressed their heartfelt emotion and bhakthi for their beloved Muruga Peruman by chanting 'Om Saravana Bhavaya Namaha'.

Shri Rejith Kumar praying at the Savalakara Mandapam during pooja before taking the Moorthies to Anjaneyar Malai

The Moorthies along with the Vel and other pooja articles were carefully placed in a special

SUV vehicle of Mr. Pannadi Raja by Mr. Chella Pandian and Dr. Aristatil, who took very good care of the Moorthies throughout the Thiruvizha. They were ably supported by Mr. Satish Kumar, Mr. Shankar, and other members in the transportation of the Moorthies and other arrangements. The SUV Vehicle carrying the Moorthies led the procession followed by a bevy of vehicles as it sped across the neighbouring villages on its onward journey towards Anjaneyar Malai as the local villagers stood by amazed.

The LMRK Members and their families were enthralled to see the Anjaneyar Malai which rose majestically to greet them amidst the lush greenery. It looked like Sri Anjaneyar in a reclining position. They were especially thrilled to see a peacock flying out suddenly to greet the members as they neared Anjaneyar Malai and took it as a divine sign. The vehicles stopped at Rengasamy Karadu in Anjaneyar Malai, it was about 9.30 AM..the much-anticipated moment had finally arrived!

Anjaneyar Malai Pooja

Shri Rejith Kumar and the LMRK Members were warmly welcomed by the temple priests in the temple. The Moorthies of Muruga Peruman and Sri Anjaneyar was carefully lifted and placed before Sri Renganathar's Padham (Holy Feet of Sri Renganathar along with His holy symbols of the Shankh (Conch) and Chakra (Discus) protected by Sri Adhishesan. Shri Rejith Kumar reverentially placed Lord Kuzhandhai Velayudha Swamy with His Vel in the middle of Muruga Peruman and Sri Anjaneyar's Moorthies amidst the devotional praises to Muruga Peruman and Sri Anjaneyar.

Lord Kuzhandhai Velayudha Swamy in His Navapashana form looked resplendent in His

yellow silken robe seated on His beautifully engraved Silver throne which was canopied with an umbrella. His Silver Vel was placed next to Him by Shri Rejith Kumar. Laminated currency notes were placed below Lord Kuzhandhai Velayudha Swamy's Moorthy to symbolise His blessings towards the financial prosperity of the world. The Moorthies of Muruga Peruman in Raja Kola Alankaram and Sri Anjaneyar were beautifully dressed and adorned with flower garlands. A large Vel brought by Mr. Sekar from Singapore was placed along with the idols.

The LMRK Members soon assembled and seated themselves before the deities and Shri Rejith Kumar began his talk - *"Everyone Vanakkam. (Shri Rejith Kumar chanted 'Om Saravana Bhavya Namaha' which was followed by all those present). This is an important function. According to Muruga Peruman's direction, LMRK is going to start the Second duty. In 2018 with Muruga Peruman's blessings after doing pooja at Aivar Malai and a Girivalam in Pazhani, we had done the pradishta of Mayura Simhasanam at the 'Thanthondri Anjaneyar Temple' at Wales at Zero Time Zone. This Muruga Yugam is for 2,000 years. For the spread of this energy to start from Zero, the pradishta of Mayura Simhasanam was done at Wales (Zero Time Zone).*

Then the Second duty was given by Muruga Peruman. A pooja for Muruga Peruman's Moorthy (a Navapashana Moorthy) and Sri Anjaneyar's Moorthy is to be done at Anjaneyar Malai, Aivar Malai followed by a Girivalam at Pazhani. After this, the pradishta of the Moorthies will be done in Switzerland. Why in Switzerland? The world is controlled by money. The place where monies are received from various countries and where the money energy is concentrated is in Switzerland. If the pradishta of Muruga Peruman is going to be done there then

the Money aspect globally will come under the control and direction of Muruga Peruman. Whatever He decides the change will happen accordingly. That is why these poojas are being held. All those who participate in this pooja will be blessed financially. Please pray well.

There is a small temple here for Sri Ranganathar on the hill. We refer to it as the Renganathar temple in Kerala. The other speciality is that as we can see that the Anjaneyar Malai looks like Sri Anjaneyar in a reclining position and it is full of energy. The Pleiadian Star Cluster Energies or the Karthigai Energies flow abundantly here. Many Siddhas have come and prayed here. It is also referred to as the 7th Padai Veedu that is why Muruga Peruman has asked us to do the pooja here. Now pooja is going to start here and after this there will be a pooja at Aivar Malai and then the Maha Girivalam around Pazhani Malai. Shri Balakrishna Sharma who is our US LMRK member and a priest has come here and will now do the pooja. After this, I will do the pooja and we will receive energies with Muruga Peruman's blessings. Everyone Vanakkam. Om Saravana Bhavaya Namaha."

The members then chorused Vetrivel Muruganuku Arohara! Pazhani Andavanukku Arohara! Jai Hanuman! Mr. Chellapandian chanted Sri Pamban Swamikal's 'Kumarasthavam' in a commanding clear voice which brought a quiet hush to the atmosphere and lifted the devotees' mental state to one of devotion. The atmosphere was charged with high energy with the chanting reverberating across the terrain.

Shri Balakrishna Sharma after seeking permission from the temple priests quickly got the pooja things necessary for him to do the pooja. He with great devotion had brought sacred waters of the Triveni Sangam (Rivers -

Ganga, Yamuna, and Saraswathi) from Prayagraj (Allahabad) and Sri Anuvavi Subramaniam temple in Coimbatore. Mr. Mandrasala Moorthy and his family had taken great efforts to bring the sacred waters from Thirumuruganpoondi near Avinashi Tirupur, Sencherimalai Murugan temple in Paladam (Coimbatore District) and Thirumoorthi Hills near Udumalpet.

Shri Balakrishna Sharma began the pooja by asking all the members to pray and make a sankalpam by repeating it after him for the prosperity and overall well-being of their lives. Amidst the ringing of the bell by our LMRK member Mr. Yuvaraj and the resonant chanting of Rudram and Chamakam, the sacred water was reverentially sprinkled on the Moorthies and Sri Renganathar Padham using Mango leaves. Abhisekham with sacred waters, milk, curds, ghee, honey, turmeric, rosewater, and Panchamritham was done to Sri Renganathar Padham by Shri Balakrishna Sharma. Sandalwood paste and Kumkum was then applied to the Moorthies and Sri Renganathar Padham.

Mrs. Ramani reverentially sang Tamil devotional songs on Sri Anjaneyar during this auspicious pooja. The Moorthies of Muruga Peruman, Lord Kuzhandhai Velayudha Swamy, Sri Anjaneyar, and Sri Renganathar Padham were adorned with garlands of Lily, Tulasi, and Vetiver while the members chanted the Kandha Sashti Kavasam. Shri Balakrishna Sharma addressed the members and asked them to join him in a Satsang of devotional songs and Shlokas on Sri Anjaneyar, Lord Vishnu, and Muruga Peruman. Amidst the ringing of bells Coconut, Fruits, Panagam, and Thina Maavu were offered as Neiveidhiyam and an Archana of Roses and Arali flowers were reverentially done to Sri Renganathar Padham and the Moorthies. Shri

Balakrishna Sharma offered incense and did Karpooara Aarthi amidst the chanting of mantras by local priests and the devotion filled chorusing of 'Vetri Vel Muruganukku Arohara' from those present. Shri Rejith Kumar prayed and reverentially offered the flowers to the Moorthies. He chanted 'Om Saravana Bhavaya Namaha' which was repeated by those present.

Shri Rejith Kumar then shared that it was time to receive energies and asked everyone to meditate on 'Om Saravana Bhavaya Namaha'. The atmosphere was filled with divine vibrations and the members felt blissful after receiving divine energies of a high vibration during the meditation.

Shri Rejith Kumar after his meditation raised his folded hands reverentially above his head and continued to chant 'Om Saravana Bhavaya Namaha' 9 times which was repeated by those present and concluded his meditation. Shri Rejith Kumar then did a Karpooara Aarthi to all the Moorthies. The temple priests honoured Shri Rejith Kumar with a garland and gave him the pooja prasadam. The members then queued up to meet Shri Rejith Kumar and received Thiruneer with his blessings. The pooja concluded with the members receiving Theertham (sacred water), flowers, and Prasadam from the volunteers. Shri Rejith Kumar finally prayed to Anjaneyar Malai and concluded the pooja. With the sun scorching them the members quickly got into their vehicles to reach on time for the Aivar Malai pooja.

Aivar Malai Pooja

The Kerala team members along with Shri Rejith Kumar's family were eagerly waiting at the Vinayagar temple near the base of Aivar Malai. Shri Rejith Kumar and other members who had

travelled from Anjaneyar Malai joined them around 11.30 AM. Shri Rejith Kumar smilingly greeted the eagerly waiting members and then took darshan at Lord Vinayagar's shrine and witnessed the prayers being offered to the idols before starting the upward climb to Aivar Malai.

Aivar Malai also known as Ayirai Malai rose majestically to greet them as the members braved the heat to climb the steps. The Aivar Malai is about 1400 feet above sea level. Aivar Malai has been praised by many poets in the Tamil Sangam Age Literature: 'Pathitru pathu'. Another legend about this place was that it was named after the 'Pancha Pandavas' (the five Pandava princes) who stayed here during their exile. Muruga Peruman had revealed to Shri Rejith that Aivar Malai is one of the few places on earth which contain Swastika energy. Aivar Malai gains special significance in this regard, as one of the main revelations given by Muruga Peruman is the revival of the association between Kumari Kandam and Mars. This is one such place that can facilitate that through the Swastika energies present here.

The steps leading to the cave were washed in turmeric and intricate kolams of stars and Swastika were drawn on it which added to the mystical quality of the place. A makeshift palanquin of wooden sticks was used to carry the Moorthy of Sri Anjaneyar by four devotees. They were followed by Mr. Chellapandian who carried the Panchaloka Moorthy of Muruga Peruman with great devotion on his head. Shri Rejith Kumar reverentially held Lord Kuzhandhai Velayudha Swamy in his hands and made his way up the hill followed by other LMRK Members. They stopped at Draupadhi Amman temple and prayed there at Lord Vinayagar's and Draupadhi Amman's sanctum before climbing onward for the Aivar Malai cave.

The cave is naturally formed and is found nestled midway at the Aivar Malai. In the furthest most part of the cave a Trishul majestically stands affixed to the ground and we found a pair of padhukas with nails long used by the Siddhar whose Samadhi is present in the cave and now can be seen as a Shivalingam. The rest of the cave opens out into a gallery of steps. It is considered a sacred place visited by many Siddhars who come to meditate here. Anyone who comes to meditate here will be blessed by the divine energies present here.

Mr. Datthathiri came ahead of others to make sure the pooja arrangements in the Aivar Malai cave were done. He was helped by Mr. Umashankar and Dr. Nirmala Umashankar in getting the things ready for the pooja. The cave was soon filled by the members and the idols were brought in one by one – Muruga Peruman, Sri Anjaneyar and Lord Kuzhandhai Velayudha Swamy with His Silver Vel and the big Vel of Mr. Sekar amidst devotional cries of 'Vetrivel Muruganukku Arohara' which raised the spiritual vibrations of the cave to another level. Shri Rejith Kumar began the event by addressing the LMRK members and their families who were gathered there.

"Om Saravana Bhavya Namaha. To Everyone Vanakkam. As shared in Anjaneyar Malai earlier we are going to do the pooja here relating to the Second duty. It was in 2004 that I remember I came to Pazhani Malai as per Muruga Peruman's directions. That time I had come here alone. Now during the Second duty, you can see how many people from so many countries are present here. There is only one reason for that - it is due to Muruga Peruman's blessings! Many of you are now aware of numerous energy points in many countries. It is Muruga Peruman who guided me to go to these energy points and pray

for everyone's welfare. I visited various countries and as per Muruga Peruman's directions activated the energy points there to start the Muruga Yugam. A big thank you to Muruga Peruman who has shown us to the way to take a big step and progress both spiritually as well as materially to the next level. Muruga Yugam is to last for 2000 years.

After two generations, we will read about it as history through books. You will come to realise its significance then as to what an important event we have come to participate in. The energy you receive here will be a big blessing not only for this lifetime but for all lifetimes. Knowing this, please pray to receive this energy. To receive the energy please pray daily and do Japam on 'Om Saravana Bhavaya Namaha' minimum for 9 times. It is the Karthigai Energy of Muruga Yugam also known as the Pleiadian Star Cluster Energy in English. Please do Japam on 'Om Saravana Bhavaya Namaha' mantra to receive this energy then your life will progress to the next level.

This mission was started on 01-05-17 on Sashti day in Pazhani Malai with Muruga Peruman's blessings. In the two years since then... we are now going to complete the third year now. In 2018, we have done the pradishta of Mayura Simhasanam at Wales. In this year (2020) the pradishta is to happen in Switzerland where wealth from all over the world is located. The factor which controls the world is Money or Wealth. The place where this Money energy is located is in Switzerland. When Muruga Peruman is going to sit on this energy there will be a big change in history. Many changes will happen in history regarding the Monetary system (worldwide) and it will happen as required for the Muruga Yugam under Muruga

Peruman's direction. You will see these changes in your lifetime.

I want to share one more thing. I have to thank many persons. First, I have to thank Muruga Peruman. I was a person leading a normal life, He has brought me to such a big mission and made me do many things with His divine blessings. To His great energy, I want to say a big thank you. All the Siddhars who have guided me in my spiritual path – Bogar Siddhar, Guru Babaji, Pulipani Siddhar, Ramdev Siddhar, and to all the Siddhars who have given me darshan and blessed me in various places to them a thank you. Next is my Guru Parampara to all the Maha Siddhas - a thank you. The next person I would like to thank is my Mother. A person who has cared so much for me and brought me up to reach this level I would like to convey my thanks".

The LMRK Members then cried out 'Vel Muruganukku Arohara! 'Vetrivel Muruganukku Arohara! emotionally moved after hearing their beloved Captain's inspirational speech.

Mr. Chellapandian and the LMRK Members began to chant the Kumarasthavam. Currency notes and coins were collected from those assembled to get it blessed during the pooja. This was of significance as the Second divine duty given by Muruga Peruman is related to financial prosperity.

Amidst chanting of mantras and sprinkling of holy waters, Shri Balakrishna Sharma started the pooja with great devotion. The Alankaram was done for the Panchaloka Moorthy of Muruga Peruman with its accessories and colourful garlands and flowers were placed on Muruga Peruman, Lord Kuzhandhai Velayudha Swamy and Sri Anjaneyar Moorthies.

The members silently heard the rendering of Thiruppugazh and Thevaram by the Odhuvar Shri Palani Swamy. The atmosphere was now surcharged with divine energies. Shri Rejith Kumar offered his prayers and did Aarthi with incense and camphor and offered flowers reverentially to the Moorthies. Fruits, Dry Fruits, and Thina Maavu were offered to the Moorthies as Neiveidhiyam.

Shri Rejith Kumar asked everyone to meditate on 'Om Saravana Bhavaya Namaha' and receive the divine energies. A quiet hush prevailed as everyone silently meditated, allowing the Divine to move them to a blissful state. Shri Rejith Kumar then chanted aloud 'Om Saravana Bhavaya Namaha' 9 times which was repeated by the members. With a feeling of quiet joy in their hearts, the members queued up to take a darshan of the Moorthies and then went to receive Shri Rejith Kumar's blessings who affectionately applied Thiruneer on their foreheads with a smile. The special coins which were originally purchased for the pooja were brought by Mr. Baskar and Shri Rejith Kumar prayed and got them blessed. The members were instructed to keep the blessed pooja coins at their place of worship for getting blessings on financial prosperity and Thina Maavu was given to everyone as prasadam at the end of the pooja.

Shri Rejith Kumar reverently took the Navapashana Moorthy in his hands and climbed the hill upwards take the darshan of Lord Kuzhandhai Velappar. The Moorthy was placed in the Lord's sanctum and pooja was performed to receive His blessings. The LMRK members and their families took the darshan of the Lord Kuzhandhai Velappar along with Shri Rejith Kumar. Then everyone climbed downwards and visited the 'Vallalar Dharma Salai' where

annadhanam had been organised. More than 400 people partook the delicious lunch at the 'Sanmarga Sanga Mandapam' and found the opportunity to meet each other and make new friendships.

Shri Rejith Kumar went back to the cave and guided Mr. Chellapandian and Dr. Aristatil to transport the idols carefully back to Savalakara Mandapam. They had earlier forgone their lunch to stay and keep watch over the precious Moorthies. The idols were transported carefully amidst chanting of 'Om Saravana Bhavaya Namaha' and 'Jai Sri Ram'. Everyone travelled back to Palani with their hearts filled with the divine blessings from Muruga Peruman, Sri Anjaneyar, and the Siddhas.

Pazhani Maha Girivalam

A team of professional decorators were waiting for the members who reached the Savalakara Mandapam around 4.30 PM to decorate the idols with beautiful flower garlands to get them ready for the Girivalam procession. The performing artists of Poikal Kudhirai, Mayilattam, Naiyandi Melam, Chenda Melam, Thaiyam, and Kailaya Vadhiyam team were getting ready for the evening procession. Utchavar Moorthy of Lord Nataraja was brought from a nearby temple of Shiva Peruman and the volunteers who came along it got busy in doing alankaram for the Moorthy and getting it ready for the evening events.

The atmosphere was one of high excitement with the members being busily involved in getting ready for the Girivalam. Dr. Aristatil, Mr. Chellapandian, and Mr. Chandran distributed the LMRK T-Shirts – which had emblems of Muruga Peruman's Vel, Peacock feather, Lion head and, the Swastika. Members were elated and felt a sense of belonging as they donned

their T-shirts. Soon one could see a sea of smiling faces wearing the Red and Blue T-shirts.

The beautifully decorated Moorthies of Muruga Peruman and Sri Anjaneyar were carefully placed in a beautiful horse chariot drawn by a pair of white horses. The elephant Lakshmi which was to carry Shri Rejith Kumar along with Lord Kuzhandhai Velayudha Swamy was ornamentally decorated and was ready to play her role in the Girivalam. Dusk had fallen and by now all the members had reached the Savalakara Mandapam.

The procession now moved from Savalakara Mandapam to the Thiru Avinankudi temple (3rd Padai Veedu of Muruga Peruman) and the pooja was conducted in which Shri Rejith Kumar and LMRK Members offered their prayers. The procession was organized in an orderly manner with the help of Mr. Jegan and his volunteers who helped in safely navigating the procession amidst the traffic and ensured no hindrance was caused to the Public.

The procession moved in the following order towards the Padha Vinayagar temple. – 1. LMRK members carrying the LMRK Banner with Red and Blue flags, 2. Chenda Melam, 3. Lamp dance, 4. Thaiyam, 5. Naiyandi Melam, Poikal Kudhirai Attam, and Mayil Attam along with Nadhaswaram and Thavil Musicians, 6. Lord Natarajar's Moorthy with Kailaya Vadhiyam, 7. Horse Chariot carrying Muruga Peruman and Anjaneya Swamy 8. The Elephant followed by LMRK Members 9. Vehicle carrying Mrs. Ramani singing devotional songs on Muruga Peruman with musicians. 10. A special vehicle was organized to supply water bottles for the devotees.

Srimath Sivanandha Pulipani Pathira Swamigal from Srimath Bogar Palani Atheenam visited the

venue and blessed Shri Rejith Kumar. Shri Rejith Kumar paid his respects to the Swamigal by honouring him with a sandalwood garland and an ornate shawl.

Shri Rejith Kumar felicitated the dignitaries and esteemed guests by offering them Sandalwood garland and an ornate shawl. They were – Mr. Pannadi Raja (Pazhani), Mr. Jagan (Pazhani), Mr. Vivekanandan Deputy Commissioner of Police (Pazhani), Mr. Hari Hara Muthu (Pazhani), Mr. C.P. Narendran (Pazhani), Mr. Mangala Prabhu (Chennai), Mr. Srinivasan (Chennai), Mr. Raghunathan (Chennai), Mr. Kumaran (Chennai), Mr. Arul Arumugam (Australia), Mr. Balakrishna Sharma (USA), Mr. Sekar (Singapore), and Mrs. Vasanthi Ramesh (Singapore) amongst others.

Shri Pulipani Pathira Swamigal then flagged off the procession from Arulmigu Padha Vinayagar Temple to the resounding chorus of Arohara's from those present. Shri Rejith Kumar then addressed the local media and newspapers and shared about the significance of the LMRK Mission, its First duty - how a special pooja had been done for the Mayura Simhasanam in Aivar Malai, followed by a Girivalam and that the Mayura Simhasana Pradishta had been successfully done at the 'Thanthondri Anjaneyar Temple' in Wales in 2018. He next spoke about the Second duty – where special poojas had been done at Anjaneyar Malai and Aivar Malai that day with Muruga Peruman's blessings, and how the Pradishta of Muruga Peruman and Sri Anjaneyar was to take place in Switzerland on 12-04-20. ***"This would lead to the financial welfare of the world. Special poojas have been done well to strengthen the world's wealth with Muruga Peruman's blessings. May everyone get Muruga Peruman's blessings! Om Saravana Bhavaya Namaha! The devotees then chorused 'Vetri Vel Muruganukku Arohara!"***

The Girivalam procession started after this with a celebratory fanfare to the vigorous Chenda Melam drum beats synchronised with Talam, the mesmerising swirls of the Thaiyam dancers, the poignant sounds of the Kailaya Vadhiyam, the picturesque dances such as the Poi Kal Kutharai and Mayil Attam accompanied by melodious Nadhaswaram and Thavil music and the breathtaking lamp dance by Mr. Baskaran and the triumphant sounds of the conch blown by Mr. Lakshmikanth.

The Moorthy of Lord Natrajar which moved in a special motorised vehicle accompanied by the mind stilling sounds of Kailaya Vadhiyam lifted the devotees to an exalted state. The Moorthies of Muruga Peruman and Sri Anjaneyar beautifully adorned with flowers of various hues majestically moving in a decorated horse chariot was indeed a breath-taking sight to see. Devotees stopped on their way to offer their respect to the Moorthies.

Shri Rejith Kumar climbed the elephant and held Lord Kuzhandhai Velayudha Swamy reverentially in his hands while Mr. K.R. Rajesh held the umbrella while being seated behind Shri Rejith Kumar on the elephant. The people of Pazhani and the LMRK members marvelled at this extraordinary sight of Lord Kuzhandhai Velayudha Swamy and Shri Rejith Kumar doing the Girivalam on the elephant. This was followed by the heartfelt rendering of beautiful verses from the Thiruppugazh and bhajans on Muruga Peruman by Mrs. Ramani to the accompaniment of Tabla and Keyboard musicians. Mr. Sekar's young son Karthi holding a big Vel and walking along with others added a special touch to the Girivalam.

The Girivalam wore a festive look and inspired LMRK members to dance in a spirit of celebration. A group of members started

dancing to the rhythmic drum beats of the Chenda Melam played by young musicians from Kerala. Another group of dancers led by Mr. Balakrishna Sharma, Mr. Chellapandian, and Dr. Aristatil danced to the music played by the Nadhaswaram musicians near the Poi Kal Kutharai dancers.

Shri Rejith Kumar got down from the elephant after a while and walked along with the LMRK Members. The procession reached Padha Vinayagar temple around 10 PM where Shri Rejith Kumar reverentially raised the Moorthy of Lord Kuzhandhai Velayudha Swamy upwards with great devotion and offered his gratitude to the Divine.

Much to the delight of those around him Shri Rejith Kumar suddenly started dancing to the beat of the Chenda Melam and they joyfully joined him and danced for 15 to 20 minutes continuously in a spirit of great joy concluding the Girivalam on a high note of celebration. A cherished memory of the special bond between our captain and the LMRK members was thus created and would be cherished for posterity.

Shri Rejith Kumar honoured Mr. Srinivasan, Mr. Mangala Prabhu, Mr. Anoop and Mr. Baskar with a garland and shawl amidst the cheering of LMRK members at the end of the Girivalam. Shri Rejith Kumar and the LMRK members made their way to the Savalakara mandapam where they were treated to a tasty and sumptuous dinner much to everyone's satisfaction. Shri Rejith Kumar individually greeted and blessed everyone and gave them the Prasadham bag containing – Vibhoothi, Kumkum, Thina Maavu, 16 Energy Points Photo, Gowmaranatham's special exclusive on LMRK, and most importantly the coins which were blessed during the Aivar Malai Pooja. He reminded everyone to keep

their coins safely as they were a blessing to ensure prosperity in their lives.

Members shared their experiences with Shri Rejith Kumar and took photos with him to keep the memories of this special day alive in their hearts. The bond between Shri Rejith Kumar and the LMRK members was a special one. While some members had to leave soon after, those who stayed overnight decided to spend as much time as possible with their beloved captain. Shri Rejith Kumar inspite of having a hectic schedule the whole day understood their feelings and spent his time affectionately talking to all the members bringing much comfort to them. This Thiruvizha would forever remain etched in the hearts of the LMRK members who had been abundantly blessed by the Divine in numerous ways that auspicious day.

Darshan at Arulmigu Shri Dhandayuthapani Temple - 22-02-20

Shri Rejith Kumar had reverentially carried the Moorthy of Lord Kuzhandhai Swamy with him along with few LMRK Members while visiting Sri Arulmigu Dhandayudhapani temple to receive energy blessings. They had a good darshan of Sri Dhandayuthapani Swamy at the temple from (6.00-6.30) AM. The Lord blessed everyone in 'Aandi Kolam' wearing a white turban and a small white veshti. After the Aarthi was taken Shri Rejith Kumar and few LMRK members visited various other places inside the Pazhani Temple complex and offered their prayers there.

They were - i) **Sri Kasi Vishwanathar sanctum**, ii) **Kodi Maram** iii) **Bogar Siddhar Samadhi** - Archana was done for the **Maragadha lingam and Goddess Bhuvaneshwari** at the Bogar Siddhar Samadhi, iv) **18 Siddhar Sannidhi's** - Shri Rejith Kumar placed Lord Kuzhandhai

On the way, they prayed in front of Valli Amman's Moorthy. As they entered near the cave Babaji's Swayambu Moorthy form was found on one of the rocks - Shri Rejith Kumar revealed that Babaji was praying there. Shri Rejith Kumar did a special pooja at Valli Sunai by lighting camphor here. He and the LMRK members meditated for 5-10 minutes here. Outside the Valli Sunai, there was a Shivalingam under a tree. Shri Rejith Kumar revealed that Bringi Maharishi's presence was there in that tree. He lit camphor and meditated here for a few minutes. This is of significance as Shri Rejith Kumar has been guided by Muruga Peruman to pray to Bringi Maharishi relating to Space related information important for the LMRK mission. vi) Prayers to Sri Patanjali Maharishi – Shri Rejith Kumar lit camphor and offered his prayers to Sri Patanjali Maharishi who has manifested his presence in Lord Nagaraja's Moorthy. (This was revealed by Shri Rejith Kumar to the members), and, vii) **Sannidhis (Sanctum) in all 4 directions** – They visited Lord Kura Velan's Sannidhi (North), Lord Shiva, Lord Muruga, Agasthiyar Siddhar and Idumban Sannidhis (West), Sannidhis of Amman and Muruga Peruman (East) and Lord Naga Vinayagar's Sannidhi (South). Shri Rejith Kumar lit camphor and offered his prayers. He then meditated here for a long time and concluded his temple visit.

Shri Rejith Kumar later met with some core LMRK Members on the next steps to be taken about the pradishta in Switzerland. He also visited Idumban Malai, a hillock adjacent to Pazhani Malai later that evening with some members from the Kerala team and offered his

prayers there for the successful completion of the Thiruvizha.

THE THIRUVIZHA EXPERIENCES

1) 'Yaavum Neeye Muruga Perumane' (Everything is You Muruga Peruman)

I got to know about Sri Rejith Anna more than three years ago through the Moondravathu Kann Program in Vendhar Channel and have remained in touch since then. I visited him at his home in Thrissur in August 2018 and spent two hours, well that's how our bond got strong and ongoing.

When Anna had announced about Muruga Peruman's Second divine duty - the Switzerland Pradishta about nine months ago, he requested me to attend the events at Pazhani and Switzerland. The timing was perfect, as I arrived at Pazhani after attending the Kumbha Mela, and Maagha Mela, at Prayagraj (Allahabad) and had brought the holy water from the Triveni Sangam (meeting point of three rivers – Ganga, Yamuna, and Saraswati). This was significant as it was later used for the pooja's at Aivar Malai and Anjaneyar Malai.

I then travelled with my relative and classmate Mr. Kannan to Anuvavi Subramaniam Temple. As I was narrating about the Palani function to the

Priest there, my entire body reached a still state and I experienced a 'no-thought' state for a few seconds. This was noticed both by the priest as well as Kannan who noticed these changes in me. The priest gave us some sacred water from the Moolasthanam here and we left for Pazhani.

On Maha Shiva Rathri day I had a good darshan of Muruga Perumal and Sri Anjaneyar Swamy's Moorthies. After breakfast, we set off for (Rengasamy Karadu) at Anjaneyar Malai. I was speaking with a few LMRK members when Anna approached me suddenly and said, "You do pooja in the USA?". To which I replied "Yes". Anna to my surprise then said "start the Abhishekam" and gave me a few more instructions. I walked towards Sri Renganathar Padham, quickly coordinated with the local priests there and began the pooja.

I mentally prepared and detailed about the pooja to the LMRK members who had gathered there for the Pooja. After this, I conducted Sankalpam for the well-being of the LMRK Members and their families and world welfare. I sang a few lines on Anjaneya Swamy and Muruga Perumal and this helped the devotees gathered to focus better on the pooja being conducted. I prayed and dedicated to the Lord that everything is His will, and begged for my shortcomings. Instantly, I experienced divine vibrations entering in my body and felt an 'inner shivering' when I stood before the Moorthies of Sri Renganatha and Muruga Perumal, and this lasted for a few seconds.

The pooja rituals were done according to the South Indian Agama Shastra (short version) and this was followed by Alankaram and Archana to the deities by me. This was followed by Anna offering his prayers. I then performed the Aarthi and helped in coordinating the prasadam distribution. This was followed by Anna's prayer. I did Aarthi and coordinated Prasadam

distribution to the devotees. Anna then blessed all the devotees including me. Anna and I planned about the next event which is the Aivar Malai pooja and then proceeded there.

When we arrived at the Aivar Malai, I saw the huge crowd of devotees there and decided to conduct a short pooja. After requesting Anna's permission, I began the pooja and Anna soon after took over doing the pooja. The Thevaram hymns were sung by the Odhuvar from Palani temple. After the Aivar Malai Pooja and meditation, a few of us along with Anna climbed the hill and had a wonderful darshan of Lord Kuzhandhai Velappar there and proceeded back to Palani.

In the evening, I had darshan at Thiru Avinankudi temple and joined the Girivalam. The Girivalam had started with Anna majestically leading on the elephant after the honouring of the special dignitaries who had come to grace the occasion and the Moorthies of Muruga Perumal and Sri Anjaneyar were taken in the Girivalam. About one-third of the way, my energy suddenly began to increase and I felt a sudden urge to dance. Asking the Nadhaswaram musicians to play I danced fully immersed in divine rapture lost to all that was happening around me and this was seen by Dr. Aristatil and other LMRK members. When I watched a video of this later, I found the dance to be pure, balanced and divine. I was happy to dance along with Anna and other members at the end of the Girivalam.

After I reached California, even during my daily routine, I sense Muruga Peruman's prompting to make me think of what is next and what is my part multiple times daily. Every time I visit a temple or do prayers at home, I experience the Divine Energy with full awareness. This stage I achieved only through Anna's blessings and because of participating in the sacred Pazhani Thiruvizha. I dedicate my services to the benefit

of LMRK members, and for the welfare of the entire world. I salute and humbly seek saranagathi prapthi at the Masters' Feet.

2) "Velundu Vinnaiyillai" - I am very happy to share my experience which illustrates this as a truth. On 27-01-19 I visited Rejithji with my family in Thrissur. This was the happiest and most unforgettable day of my life. That afternoon, after receiving Rejithji's blessings we bid farewell to him and went straight to Alappuzha. Though the journey was pleasant, my mind was preoccupied with some long-standing worrying thoughts. As a soothing balm for my worries, early morning, the very next day at 04.30 AM I had a dream, my 7-year-old son Karthi was standing, holding a VEL which was about 3 feet in height. I woke up startled because it felt a real experience and not a dream. Till today, I clearly remember him wearing his everyday clothes, holding the Vel in his right hand, and the direction which he was facing. After this, I decided I would make a similar Vel and get it blessed by Rejithji. I narrated the dream vision to him and he agreed to bless the Vel. However, a year passed after this as there were many delays faced while I tried to make the Vel.

As the Tamil maxim goes 'Poruthaal Bhoomi Alvar' (If patient, one can even rule the earth), on 21-02-20 with the blessings of Muruga Peruman and my Gurunathar Rejithji my son Karthi participated with the Vel in the 'Pazhani-Switzerland Selva Thiruvizha' as LMRK devotees know.

During the night of 23-02-20, the proof that the Vel is the symbol of victory was established. Much to my amazement and the happiness of

Shri Rejith Kumar with Mrs. Mala Sekar, Miss. Dhaanyashre, Mr. Sekar Mookiah and Master Karthi during their visit in Pazhani

my family members, the work which had been facing delays for a long time got resolved.

I conclude by affectionately requesting the LMRK Members who are devotees of Muruga Peruman to remember 'Velundu Vinnaiyillai' (The Vel relieves one of their Karmas), and wholeheartedly pray for any problem that they may face in their lives and receive His grace.

-Mr. Sekar Mookiah, Singapore.

3) My Experience during the Thiruvizha

Namaskarams to everyone. I live in Malaysia and my name is Sarah. I am very happy to have been able to participate in the Pazhani Thiruvizha and I consider myself very fortunate. In spite of many challenges and obstacles, I was able to overcome these only due to the grace of Muruga Peruman. Due to taking part in this Thiruvizha, I was able to get new experiences and meet good souls there.

At Anjaneyar Malai everyone prayed together and we felt the special blessings of Muruga Peruman descending on us. While participating in the Aivar Malai Pooja, we all experienced a kind of vibration. The Selva Thiruvizha which was

held this year was held in a much grander way than the one held previously. The Girivalam was especially spectacular and grand. Another point of importance is that last year only a small group of members representing Malaysia had the opportunity to attend, whereas this year I am happy to say there were ten of us. The hosting organizers had made many arrangements for all those who had come to attend the Selva Thiruvizha from abroad. In that, the most important were the arrangements made for our stay, transport, and food. Many thanks to the organizers who worked for it. We express our gratitude to all the good hearts that made it possible for us to participate in the Selva Thiruvizha.

-Mrs.Sarah Manthira, Malaysia.

4) My Selva Thiruvizha Experience at Pazhani

This is my second visit to India. Throughout the Selva Thiruvizha, I felt blessed with Muruga Peruman's blessings. Before I left Malaysia, Muruga Peruman gave His blessings by giving me darshan in His 'Raja Alankaram' through a dream vision. I saw the same Moorthy at the Pazhani temple when I visited it on Maha Shivarathiri day. I was left speechless!

At Aivar Malai, I felt a very deep vibration which I am unable to express in words. There was a strong wind with a nice fragrance while meditating at Aivar Malai. At Girivalam I felt very energetic, in spite of the tight schedule we had. We got the opportunity to push the chariot of Muruga Peruman during the Girivalam. This was absolutely due to Lord Arumuganar's blessings.

Right from the moment, we landed at Pazhani till the end of the Pazhani-Switzerland Selva Thiruvizha I felt blessed. I feel only once in a lifetime can one experience a divine magical experience such as this. I would like to thank the

organisers of this well-arranged function on behalf of the Malaysian LMRK team and Shri Rejith Kumar for showing us the right path and guiding us spiritually.

Om Saravana Bhavaya Namaha. Om Eswaraya Namaha. Om Agathesaya Namaha.

-Mr. Kumaresan Muthuswamy, Malaysia.

5) My Selva Thiruvizha Experiences

Attending the Selva Thiruvizha was one of the biggest experiences in my life. I was visiting India for the very first time in my 33 years of existence to especially take part in the 'Pazhani-Switzerland Selva Thiruvizha' with Rejith ji's blessings. I will always consider this visit as a God-given gift and one of deep value to me.

I felt very strong divine energies in all the sacred places I visited during the Thiruvizha. I felt the deepest of energy vibrations at Aivar Malai. When the pooja was held, I went into a deep meditative state and saw a pair of very beautiful eyes appear in my mind's eye which looked towards me and I felt a gust of strong wind at the same moment. I could not stop my tears of bliss from pouring. Though I do not know whose eyes they were it left a deep impression on me to see such a pair of powerful eyes. This wonderful moment I experienced in Aivar Malai left a deep imprint on me and has kept my mind as well as my thinking very positive.

During the Maha Shivarathiri night, when the Girivalam took place, my body felt very energetic though our schedule for the day had been very tight. I had wished to carry the Moorthy of Sri Hanuman and Muruga Peruman. Though the opportunity to hold and carry them did not present itself during the day, the miracle happened at the end of the Girivalam. When the members were queuing up to receive the

blessed coin and blessings from Rejith Ji, I suddenly heard Mr. Prabhu asking me to carry the Moorthies inside. I got the opportunity to hold the Sakthivel of our Muruga Peruman and carry the Moorthy of Sri Anjaneyar with two other LMRK Members. I felt this to be the grace of Muruga Peruman and Sri Hanuman and I become enthralled whenever I think about this blessing they had given. Apart from having these divine experiences I also earned a big loving family i.e. our LMRK family.

Om Saravana Bhavaya Namaha. Om Eswaraya Namaha. Om Agathesaya Namaha. Jai Hanuman.

_Mr. Kanapathy Karuppiah, Malaysia.

6) ‘Vellavan Thunnai...!’

(With the blessings of Vellavan)

It is a great blessing to be part of the LMRK mission and take part in the ‘Pazhani-Switzerland Selva Thiruvizha’ held on 21-02-20. This function was full of positive vibrations as it was held on the sacred Maha Shivarathiri day in Pazhani.

I felt blessed to join the special prayers conducted at Anjaneyar Malai and Aivar Malai. It was especially special for me to visit and pray at the Kuzhandhai Velappar Temple located in Aivar Malai. I found myself constantly remembering how handsome and youthful Lord Kuzhandhai Velappar looked.

During the evening, Sri Rejith Ji and other LMRK Members from all over the world gathered together at Palani Adivaram for the special Girivalam. All of us were specially dressed in LMRK’s ‘Red and Blue’ coloured T-shirt, as a symbol of unity and strength.

The environment was one of mass celebration with processions of Lord Shiva, Lord Muruga and

Lord Anjaneyar doing pradakshina around the Pazhani Malai. Classical musical instruments such as the Chenda Melam, Nadhaswaram, and Kailaya Vathiyam and traditional dances like the ‘Peacock’ and ‘Poi Kal Kutharai’ dances added a special joy to the atmosphere.

While I was walking along with Lord Nataraja’s chariot, I sensed high energy vibrations and felt as if the Lord Himself was present there with His Shiva Ganas. The Kailaya Vathiyam combined with the smell of incense brought forth imagery in my mind of Lord Shiva’s celestial dance with His Shiva Ganas emitting intense energies.

Overall the Girivalam was a marvelous spectacle and a celebration of divine energies. This particular night of Maha Shivarathiri had me mesmerized and will remain an unforgettable event in my life.

-Mrs.Satya Priya Seelan, Malaysia.

7) My Experiences during the Pazhani-Switzerland Selva Thiruvizha

I would like to start by thanking Muruga Peruman and Rejithji an opportunity to serve in the Second divine duty of LMRK – the Switzerland Pradishta. The various meetings held relating to the Pazhani Thiruvizha gave the members an opportunity to come together and plan as one team for the ‘Pazhani-Switzerland Selva Thiruvizha’. I had the opportunity to work with Rejithji and was inspired by how detailed he was in the way he guided me. I am grateful to him for creating a new learning experience for me in coordinating with the Siddhar Bhoomi team. This helped us in telecasting about Rejith Ji and his spiritual journey. We were happy when they agreed to cover the Pazhani-Switzerland Selva Thiruvizha events on Maha Shivarathiri day.

A few days before the Thiruvizha I had fever and thanks to Rejith ji's healing I was able to make it to the Thiruvizha in Pazhani on 21-02-20. I stopped at the Pillayar temple at the foothills of Aivar Malai and prayed there. I decided to trek upwards so that I can spend more time there and made the climb chanting 'Om Saravana Bhavaya'. Mentally chanting this mantra put me in a peaceful state and I didn't feel the morning heat as I made my way towards the cave. On the way, I met an elderly person who has been doing Seva at the Aivar Malai for many years. He told me that there were two Jeeva samadhis one in the cave and one outside while approaching the cave.

After taking photographs of the cave from various vantage points, I sat down to wait in the cave with my family members. Soon we were joined by Rejith Ji and other LMRK members. The pooja began and when it was time for Rejith ji's speech I began to note down his speech. Suddenly, I heard a deep quiet thought which said 'close your eyes'. I stopped writing and began to pray. As Rejithji started chanting 'Vetri Vel Muruganukku Arohara' along with the devotees, at the same time, I saw beautiful red-golden energies fill my mind's eye. I felt my heart catch with deep emotion and tears began to fall freely from my eyes. I felt the presence of Muruga Peruman and continued with my prayers.

During the evening, the Girivalam started with great fanfare and I felt a feeling of joy to take part in such a divine event. I met many of our LMRK members on the way, and I stopped near the vehicle which was carrying the Moorthy of Lord Nataraja. I felt spellbound and could not take my eyes off the Moorthy of Lord Natrajar. Though I was walking along the road amongst many people, my mind suddenly stilled, and a

feeling of deep bliss arose in me and my eyes teared in bliss. I felt Shiva Peruman's presence deep in my heart and felt very grateful and humbled at the same time. I lost track that I was on the road or about the people or the vehicles, all I could hear in the distance was the Kailaya Vathiyam and feel a deep love for Shiva Peruman within me.

In hindsight, while working for the Thiruvizha I came to know and see the selfless seva done by other LMRK members. This has inspired me deeply. I saw that we all became one in our love for Muruga Peruman and it was He who worked through all of us to bring the Thiruvizha to reality.

-Mrs. Sowmya Nikhil, Chennai.

8) Our Experience at the Pazhani - Switzerland Selva Thiruvizha

LMRK Bangalore members were very excited to participate in the 'Pazhani-Switzerland Thiruvizha'. Members were well informed about the itinerary of the day thanks to the LMRK core members who communicated this to us in advance. This helped the Bangalore LMRK members numbering 40 to plan and reach Pazhani well in time.

We started the day by an auspicious darshan of the Lord on the 21st of February 2020. We were able to reach Anjaneyar Malai thanks to the initiative taken by Mr. Mangala Prabhu who had arranged vehicles for us to reach there. At Anjaneyar Malai, when Rejithji shared that we would be receiving energy and asked us to meditate, I started meditating and felt the energy enter me and felt a push as it coursed through my body. With Muruga Peruman's grace, we completed our darshan and I left with the other members for Aivar Malai.

The second pooja in Aivar Malai also went well and I felt the divine energy all around me. The team and I then had a good darshan at Kuzhandhai Velappar temple. We had a little time for fellowship with other LMRK members from all around the world and had an excellent lunch. LMRK T-shirts were distributed on our way back and we returned to our accommodation to rest for a while.

We started the evening by participating in the Girivalam around Pazhani Malai. It was a colourful celebration, where members showed their enthusiasm for the event by wearing LMRK T-shirts and expressed their bliss by singing and dancing. We felt the vibrations of the celebration during the Girivalam around Pazhani Malai. After the Girivalam members had their dinner and were given the blessed prasadam kit. The Members dispersed with a feeling of gratitude to Muruga Peruman and the captain of the mission Shri Rejith Kumar. We left Pazhani and visited the Kondarangi hills on the way and returned to Bangalore.

- Mrs.Mary Bastin, Bangalore.

9) The Beautiful Souls

It was past midnight after a very long road journey from Chennai. We had travelled to other temples en route to Palani with my mother, mother-in-law, wife and two kids. The very first thing we wanted to do after reaching Palani was to hit the bed in the hotel. After we arrived, there was already a booking made in my name at the hotel by our logistics team. It would have been a tough find at that hour but thanks to these beautiful souls, the check-in to the hotel was smooth.

The next day morning, the prime beautiful soul of this mission, our captain asked me to join for a Girivalam walk around Palani hills but the team

went without me even though I was up and ready at 7 AM. I was disappointed in not making it to the Girivalam as per plan but when the team returned, the captain said, "I didn't call you because you have to get your family ready to send them to Madurai for a day trip". The beautiful soul in him had identified my responsibility which even I had forgotten, but he was right, I should be there to provide comfort for my family in a strange place. It was a very good start to that Thursday, Feb 20th.

After our breakfast, we travelled to the place where the idols were kept where a lot of LMRK members were busy with their tasks. While a few were preparing the return Prasadham for the devotees, others were unloading the groceries from a van. I couldn't hear a voice of command or order but it was like everyone knew what they had to do even without a rehearsal. There was love and only love around the place and the dedication to make the following day a grand success, without any motive of financial interest. Thanks to these beautiful souls for working round the clock with a very positive attitude.

The whole team then travelled to Hotel Nalabagam for it was considered to serve the best lunch in town. The members were helping each other to take places and it was like a reunion of brothers from other mothers. The laughter around the tables was more delicious to hear than the food we were served. Palani was no more a new place for me because of these beautiful souls.

Palani, at dusk, started to witness more beautiful souls arriving and settling down in their accommodations. There were people from all corners of the world and people from various cultures, from businessmen to entrepreneurs, from media personnel to beverage owners, from

film personalities to IT individuals, all under one roof. I felt this was definitely a magical moment as to how one man with a mission can make this possible. Thanks to all such beautiful souls who made the evening a wonderful one through their humble interactions.

On February 21st, the day for which everyone was working and waiting for, finally arrived. The breakfast hall was filled with devotees from various locations in Kerala, Tamil Nadu, and Karnataka and the volunteers were at the top of their duties to serve every beautiful soul that arrived. The planning, the execution will be remembered by me for a long time because many top corporates spend a lot of time and money to achieve such discipline but our members performed their duties with ease. Thanks to these beautiful souls who ensured no one started this beautiful day with a hungry stomach.

The trip to Anjaneyar Malai from Palani was an adventure by itself. The journey transformed from the tar roads, onto the stone roads, onto the sand paths and about 20 vehicles made the journey. The locals were in disbelief to witness so many vehicles passing through, as these roads lead to nowhere except to the dense hills around Palani. We were welcomed by a flying peacock just before we reached Anjaneyar Malai, a sign of great excitement for the devotees. The prayers, the prasadam, the cleaning up after the prayers, and a sigh of relief from the local priest knowing everything had been executed perfectly, was such a great scene to witness and an event to experience. Thanks to every single beautiful soul who maintained their discipline during the prayers.

The journey continued from Anjaneyar Malai to Aivar Malai, where the Chennai members had already assembled. My family joined me in Aivar

Malai, while the rest of the family made to the top, my mother struggled to climb. I insisted that she stay behind in the car, the iron lady she is, she reached the top by taking little steps, I am still learning a lot from her. The prayers began with the idols being kept in a sacred place for the rituals to be done inside the cave. While everyone's face had blossomed with spiritual flowers, one beautiful soul was sitting in the middle of the crowd, busy capturing everything happening around her. I have heard that Bhagavat Geetha was narrated during the middle of a war. I wondered how someone could focus when there is something grander happening around her. Thanks to this beautiful soul for recording the beautiful scenes that day. The lunch was served after the prayers and I thank all those beautiful souls for all the efforts taken by them to ensure that there was not even a single devotee who was seen unhappy.

I want to record that the beautiful souls whom I had hardly met, made me comfortable during my stay at Palani and I am just one among the thousands who had participated in the Thiruvizha that day. I am sure everyone would echo my words.

Until our next mission, my prayers and wishes to these beautiful souls to remain blessed.

Om Saravana Bhavaya Namaha

-Mr. Yuvaraj, U.K.

10) My Experience and Learnings from the Thiruvizha

It was a wonderful experience for me to help in organising the events for the Pazhani-Switzerland Selva Thiruvizha. With the blessings of Lord Muruga Peruman, I started work with our LMRK members under the guidance of our beloved captain Shri Rejith Kumar. Each time

before starting work in Palani I used to go to the hill temple and only after praying, I would start my work. Throughout the two months, I felt some kind of power surge in me. I never felt tired and as I came to experience an unknown energy would travel with me and help me complete my work. The biggest learning from the event is that team cooperation is essential than it being a one-man show. Volunteers should be given importance by giving them proper work allocation. This is very important. We should respect everyone's dignity irrespective of them being rich or poor, educated or uneducated and listen to our senior member's advice.

Om Saravana Bhavaya Namaha

-Mr.M. Baskar, Chennai.

LORD KUZHANDHAI VELAYUDHA SWAMY'S AVATARHOOD IN SWITZERLAND

Switzerland officially known as the Swiss Confederation is a landlocked country bordered by Germany in the North, Austria and Lichtenstein in the East, and France in the West. It is geographically divided between the Alps, the Swiss Plateau, and the Jura Mountain range. The four national languages of Switzerland are German, French, Italian, and Romansh. The Swiss population of 8.5 million people mainly live on the Swiss plateau and its two main global cities and economic centers are Zurich and Geneva. The religion most practiced in Switzerland is Christianity though the Swiss Government guarantees freedom of religion and provides that there is no official religion.

Switzerland which got its formal independence in 1291 as a confederation, has since then developed into one of the most developed

countries in the world ranking 8th in GDP. Due to its attitude of 'neutrality' towards World Politics, many international organizations have their offices in this country like the Red Cross, World Trade Organisation, Bank for International Settlements, and the United Nations Human Rights Council.

Switzerland is also the biggest center for managing offshore wealth in the world at 2.3 trillion CHF (Swiss Francs). It accounts for one-third of all Global overseas wealth. The majority of the overseas wealth comes from Germany, France, and Saudi Arabia. Legal certainty, privacy protection, and access to financial markets make Switzerland a safe and profitable place for receiving money from various corners of the world.

Why has Muruga Peruman chosen to manifest His presence in Switzerland?

For there to be an equal distribution of wealth, Muruga Peruman in His divine compassion as per His revelation to Shri Rejith Kumar had asked him to perform the pradishta of His sacred form in Switzerland to bring the 'Money Energy' under His direction and control. This will ensure financial prosperity for the entire world by making changes in the way we look at money and by manifesting beneficial changes in the Global Monetary System.

Muruga Peruman who revealed the divine duty to Shri Rejith Kumar was the director behind all the activities relating to the Second duty. LMRK members had successfully conducted the 'Pazhani Switzerland Selva Thiruvizha' under the guidance and leadership of Shri Rejith Kumar and were waiting eagerly for the pradishta to take place in Switzerland when the Corona pandemic struck the world.

Switzerland had placed travel restrictions, so only a person who had a work permit or citizenship could travel to Switzerland during the Corona Crisis. Can a pandemic stop the divine work of Muruga Peruman? Under His direction and guidance, Shri Rejith Kumar made alternate plans carefully and it was decided that Mr. Sujith our LMRK member who had come on a visit to India from Switzerland at that time would travel back and perform the pradishta.

It is significant to know that due to Muruga Peruman's grace Mr. Sujith's flight to Switzerland scheduled on 24-03-20 got preponed to 22-03-20. His early morning flight was the last one out to Switzerland due to which he could safely leave Chennai before the lockdown for the Corona crisis began in India that evening.

(We felt it would be interesting for the readers to know directly from Mr. Sujith about his spiritual journey, how he got connected to the LMRK Mission, and most importantly the preparations and details of the pooja. The information given below has been compiled from his audio messages).

Shri Sujith Surendran from Switzerland is a native of Kerala in India. He believes that God as His inner Guru has been guiding him. Though he has had significant spiritual experiences of losing body consciousness he felt he was still seeking something within. After finishing his meditation, one day, while he was using his mobile phone, he came across the 'Moondravathu Kann episode' from Vendhar channel where he happened to see Shri Rejith Kumar's episode and his spiritual journey and about the LMRK mission through this program. He describes himself as not a curious person but for some reason, the name 'Rejith' left a deep impression inside him. This prompted him to search in

Google and lookup for further details on him. He came across a video where he recognised Shri Rejith Kumar to be the same person he had earlier seen in the 'Moondravathu Kann' episode and got his WhatsApp number from there. He felt his hands shiver when he saw his number and left him a brief message saying 'Hi Sir. Good Morning. Have a nice day'. He got a message received from Shri Rejith Kumar who asked him back "Who are you?". Mr. Sujith replied that he had followed his soul intuition and had got in touch with him. Shri Rejith Kumar asked him where he was from, to which Mr. Sujith replied that he was from Switzerland. Shri Rejith Kumar then sent him a video link explaining about the Second divine duty of LMRK. This message had been given by Shri Rejith Kumar to the LMRK members 4 or 5 months before and he asked Mr. Sujith to call him back after seeing the video. Once Mr. Sujith heard about Muruga Peruman's divine direction about the Second duty in Switzerland he felt deeply moved and experienced goosebumps. When he shared this experience with Shri Rejith Kumar, Shri Rejith Kumar asked him, "Do you understand?". To which Mr. Sujith replied "Yes" and said he would search for a place where the Moorthies would be placed, and Shri Rejith Kumar gave the go ahead to begin work for the Second duty in Switzerland.

The Search

Though LMRK members came forward to give Mr. Sujith details of various temples in Switzerland by giving him contact numbers he did not get any favourable responses from any of them. One day, Mr. Sujith felt his inner voice asking him as to why he was asking others when the divine will guide him in his search for a separate place. He felt a strong intuition that the Divine would guide him to the correct place.

After searching in many places, he and his friends finally found the right place at Worb, a

Worb, Switzerland

small municipality 12 kilometers from Bern, the capital of Switzerland.

Mr. Sujith describes the building in which the meditation hall is present as a quiet place and the building as an antique one before the 1960's period. The specialty of the place is that there is a natural spring that flows continuously under the building where the meditation place is located and where the pooja was to take place.

He felt that this place had been waiting for it, as it is a place where people could come and freely meditate. This meditation hall has been named as '**Animamundi Cultural Center**'. The term '**Animamundi**' in Latin meaning '**World Soul**'.

Building in which Animamundi Cultural Center is present in Worb, Switzerland

The constant stream of water which flows below the building where the Pradishta of Muruga Peruman has taken place

This refers to a vital force or principle who is omnipresent in other words – the **Paramātmā**.

Pooja Preparation

While he was getting things ready for the pooja, one of his friends gave him a piece of the sacred cedarwood to serve as a platform for placing the Moorthy. This wood carries an inherent special scent. His friend performed a special ritual before cutting the piece of wood in such a way that the age rings of the tree can be seen. It is in the middle of this unique pattern on the wooden platform, the divine Moorthy of Muruga Peruman was to be placed.

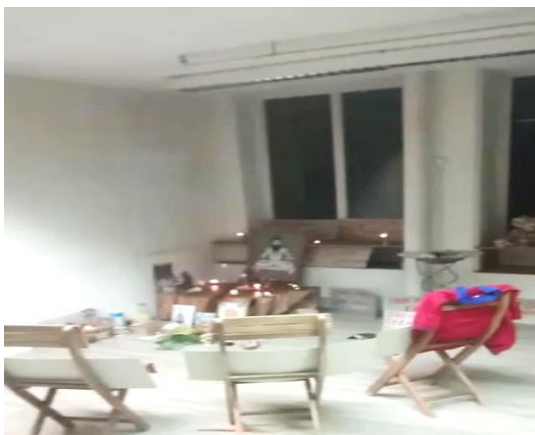

Another special experience Mr. Sujith recalled was about the special painting of Bogar Siddhar he had brought from India. He had got it specially made in India and had got it carefully framed before bringing it with him to Switzerland. When he unwrapped this picture and placed it at the place of worship, much to his amazement, the framed painting of Bogar Siddhar had a crease inside it that made it look alive.

Significance of the Pooja on 12-04-20

The special pooja was to take place at Zero hours (00:00) local Swiss time to signify the birth of Muruga Peruman's Avataric presence as Lord Kuzhandhai Velayudha Swamy in the Navapashana form in Switzerland. Before things can happen in the physical it has manifest at an energy level. Thus, it is important to bring the money energy under the protection and direction of Muruga Peruman; to ensure the future financial prosperity of the world. The other two important aspects to note are i) that it was Easter day; a symbol of resurrection, in this case, the revival caused by Muruga Peruman's energy that will help heal the world by moving it from its present affected financial state to that of financial prosperity. ii) The other significant aspect is that the day on which the pooja has been done is also the 'International Human Space Flight Day'. It was on the 12th of April 1961 the first human flight to Space was made by Mr. Yuri Gagarin. The connection between this and our LMRK Mission will be revealed later by Shri Rejith Kumar.

The Pooja (12-04-20)

Shri Rejith Kumar had given instructions for all LMRK Members worldwide to read the 'The Birth of Lord Muruga' from Sri Kandha Puranam

Chairs were placed to symbolically represent Shri Rejith Kumar, All LMRK Members and Divinity during the Pradishta

at 12.00 AM as per their respective time zones. The meditation hall at Worb meanwhile was reverentially arranged by Mr. Sujith. Apart from the altar place he had placed three chairs in the meditation hall. One of the chairs had an LMRK T-shirt draped on it. This chair had a silken cloth placed on it with a placard which read 'Rejithji', the second chair had a placard which read 'All of Our LMRK Souls' and the third chair had a placard which had the names of several Gods, Goddesses, Siddhas, Rishis, Nakshatras, Nagams and various creations of universal energy to signify their participation in the pooja. Placards with sacred mantras like 'Om Saravana Bhavaya Namaha' and 'Om Namah Shivaya' amongst others added a spiritual splendour to the place of worship.

A divine picture of Bogar Siddhar was placed in the place of worship. Time seemed to fly past for Mr. Sujith but with the support of his partner, he could get the necessary pooja items, Red roses, and other special flowers required for the pooja and keep them ready for worship. The room was beautifully adorned with clay lamps apart from a Peacock shaped lamp, and an Om shaped Lamp which was lit with ghee raising the spiritual vibrations of the place.

Shri Rejith Kumar joined the pooja via a video call from Thrissur. At exactly 12.00 AM (Swiss Local Time), Shri Rejith Kumar gave instructions to begin the pooja. As per Shri Rejith Kumar's instructions Mr. Sujith reverentially placed the Navapashana Moorthy of Muruga Peruman with the Silver Vel along with two other Vels which had been blessed during the pooja's at Anjaneyar Malai and Aivar Malai on the altar space.

Shri Rejith Kumar's heartfelt cries to his beloved Muruga Peruman – "Perumane...Pazhani Andava ...Pazhani Andava", while He was being

placed at the place of worship, expressed his intense devotion. This was followed by chanting of the sacred mantra 'Om Saravana Bhavaya Namaha' by him and Mr. Sujith. Mr. Sujith sprinkled sacred water and offered several Namaskarams to the Moorthies. He performed the Aarthi with an incense stick to the deities and the Archana was done with flowers. The pooja concluded with fruits being offered as Neiveidhiyam.

Mr. Sujith reverentially holding the Navapashana Moorthy before placing it for Pradishta

Mr. Sujith placing Lord Kuzhandhai Velayudha Swami at exactly 12.00 AM (Swiss Time) for performing His pradishta at the Animamundi Cultural Center at Worb, Switzerland

Mr. Sujith placing the Silver Vel with Emerald stone against the Navapashana Moorthy of Lord Kuzhandhai Velayudha Swamy

Mr. Sujith offering prayers and chanting 'Om Saravana Bhavaya Namaha' during the pooja along with Shri Rejith Kumar who had joined him on a video call from Thrissur, India

Mr. Sujith sprinkling sacred water on the Navapashana Moorthy of Lord Kuzhandhai Velayudha Swamy

Mr. Sujith offering his salutations to Lord Kuzhandhai Velayudha Swamy after sprinkling scared water

Mr. Sujith performing Aarthi with incense to Lord Kuzhandhai Velayudha Swamy

Mr. Sujith conveying his deep gratitude at the conclusion of the pooja

Mr. Sujith shares that it's indeed the grace of the Divine which made this all possible and that he is only a tool in the hands of the divine. He would like to convey his deep gratitude to Lord Shiva, Muruga Peruman, other Devatas, the Siddhas, Shri Rejith Kumar, and to all those who helped him perform the sacred duty – Mr. Ramesh, Mr. Srinivasan, Mr. Anil Kizhakkupuram, Mrs. Sowmya Nikhil, and Mrs. Rani Pandian. He feels very blessed for being given the opportunity to find a quiet place for the divine and concluded his message by saying that this indeed was a blessing from some previous good karma.

It is a great milestone in Mother Earth's history where Muruga Peruman as Lord Kuzhandhai Velayudha Swamy has taken charge of the financial affairs of the world. According to the recent message given by Muruga Peruman to Shri Rejith Kumar- Muruga Peruman has manifested His Avataric form as a Navapashana Moorthy in Switzerland to protect and heal humanity from diseases. When devotees pray to Lord Muruga in His Navapashana form they apart from getting financial prosperity will also get protection and relief from diseases.

The pooja event apart from being special in its significance shows us the mirror through which examples of complete saranagathi have been exemplified. Shri Rejith Kumar who carried out Muruga Peruman's instructions in a complete state of surrender inspite of many challenges which came his way and Mr. Sujith who defied all odds to carry out the divine task on behalf of the LMRK mission by performing the pooja under the guidance of Shri Rejith Kumar. The Lord in His compassion has given all of us huge blessings after the successful completion of the Second duty and reiterated His divine message

“Why fear when I am here (Yaam Irukka Bayamaen)?”.

MY EXPERIENCES DURING THE SECOND DUTY

1) When the world at large stood still due to ongoing Covid-19 pandemic, here is one spiritual group which could complete the divine task with divine intervention in the midst of all odds. This shows the tenacity of the group and its members who selflessly fulfilled the duties entrusted to them with a sense of dedication and total surrender to Lord Muruga thus making any herculean task most simple.

I have been a part of this group since inception and travelled with Rejith for multiple places - Reunion Island, Mongolia, Macau etc. and have

seen how all went through during the Mayura Simhasana pradishta as well as the most recent Palani function and Swiss pradhista. All LMRK members contributed to the success of these functions and Rejith, in particular, had to make some key decisions during these most difficult times without being exasperated even at some sticky patches. He followed up on the schedules, checked on progress and adjusted the strategies at each stage like a chess game just like how the players are placed during a match's progress. As Rejith had mentioned, this odyssey is like a ship where the Captain's sole aim is to secure the Galleon till it reaches the designated port where during the journey's passengers may embark as well as disembark. Blessed are they who could be a part of this program which will be commemorated for years to come.

Om Saravana Bhavaya Namaha.

- Mr. Devan, Chennai.

2) I would like to share my experience related to Second duty. I will share whatever I observed during this duty.

i) To start with, it was a miracle, Mr. Ramesh had decided to provide the idol of Muruga Peruman even before Sri. Rejith got the revelation about the Swiss Pradishta. It became clear that each and every activity was planned by Lord Muruga. Whatever is not clear today, will make more sense later.

ii) Surprisingly, Sujith from Switzerland joined LMRK around the same time Sri Rejith revealed about the Pradishta in Switzerland. I believe he came to our mission through Muruga Peruman's blessings. He did a lot of searches and finally found the right place for the Pradishta.

iii) This duty is to bring betterment to humanity and positive changes in the world. Doing such an

activity is not an easy job. There were some energies that tried to prevent this activity. It was very much evident when Sri Rejith faced some challenges and at one point, he was unable to proceed further. With Muruga Peruman's blessings, he was able to overcome such a situation. We also faced a similar situation during the Mayura Simhasana Pradishta. This indicates the significance of these duties. If it's an insignificant activity, we would not be facing such blocks.

iv) I could personally see the amount of tension and pressure Rejithji absorbed as we inched closer to the event. He couldn't afford to make any mistake. Whenever he has to take a key decision, Muruga Peruman guided him through signs or indications. Rejithji had to keenly watch and ensure we were travelling in the right path and make corrections accordingly. Choosing the right date, time, and place was very important. For example, he did an additional pooja at Pazhani Valli Sunai on 22-02-20 (the day after Palani function), which many were unaware of. This pooja was very important for the successful completion of the duty. Similarly selecting Zero time for the pradishta involved various aspects. It's similar to a Cricket Captain changing the field or players constantly based on the situation during a match.

v) Moreover, Rejithji could not blindly take whatever help came his way. He had to check carefully, seek divine guidance, and avoid some help if it does not originate from the right energy.

vi) It may sound like a simple task but it's challenging to do this kind of an activity in a Western country as it possesses different energies. It was possible only with Muruga Peruman's blessings.

vii) Muruga Peruman's idol reached Switzerland without any issue inspite of the worldwide flight cancellation due to the Corona crisis. The flight which Mr. Sujith travelled was the last flight out to Switzerland from Chennai. No questions were asked anywhere. All the passengers had to be quarantined upon reaching Switzerland but this did not happen to him. There were also other miracles during his travel. It was simply a walk in the park due to divine blessings.

viii) Sri Rejith received Siddhar's help and protection before performing the pradishta. He constantly felt and continues to feel the presence of Sage Vyagrapadhar around him.

ix) I could observe very good teamwork during the Palani function. Many new members took responsibility and helped towards the success of the event.

x) Reading of the Kandha Puranam by our members helped a lot. Kandha Puranam helped us to receive Muruga Peruman's blessings and protection during this tough time.

I was fortunate to be part of this divine duty. I would like to thank everyone who supported and prayed for the success of this duty.

Om Saravana Bhavaya Namaha.

-Mr. Srinivasan, Chennai.

3) "A mother will know that the baby will eventually come to the world but the journey and the human emotions associated with the journey are inevitable..".

After the birth of my second child, I thought I could never witness another delivery in my life. But as the experience of every human conception fades away after some time, mine also disappeared from my mind, almost a year ago. The moment our captain Shri Rejith

announced about our Second duty, no one ever thought this would be a life-changing experience. It was like a mother-to-be preparing herself to face the biggest challenge of her life but in our case, the captain himself didn't know the challenges he and his team were going to face.

They say whenever there is a new life joining a family, the current lives of its family members will be slightly disturbed, this is something which I have personally experienced. Our captain also faced a similar incident in his own family in December. Just like the mother-to-be chooses the positive approach to deal with the situation, as it may affect the baby, our captain also approached the situation with a positive attitude as he knows the importance of Second duty at the back of his mind. The only second, he paused during the course of Second duty is when he thanked his (our) mother during his speech in Aivar Malai which was much needed for him. Over the last few years, we were all happy when Rejithji's prayers for us were answered but the joy was ecstatic when our prayers for our captain were also answered.

During the later odd month of the pregnancy, the family will arrange a grand function to celebrate the arrival of a new soul into the world. The function held at Palani was like that. I am still in disbelief about how our members from all corners of the world gathered at Palani on a particular day. The energy that our captain carried was phenomenal. I wonder how he managed to stay awake until 2:30 in the night and be ready at 5 the next morning. Sometimes I wonder whether our captain is bound to earth time, but I don't think he is :)

Have you ever noticed that after a grand family function, there will be a bit of misunderstanding among the family relatives? And after a while,

they all get together for the next function? I remember after my family return from a function, the first thing that my mother did was to remove "kandhrithi" by lighting camphor to remove the negative energy. During our next function, we need to ensure we have a pumpkin to break at the end with all the members. And also, a virtual pumpkin to remove negative energy from our WhatsApp groups as well. It goes without saying how our captain needs to be protected from such negative energy.

I must admit I didn't know what I was going to expect during both the times of my wife's labour and it turned out both of them were just unimaginable. While all the arrangements were going on as per our calendar plan, the unexpected started to happen. The captain had everything planned and with our LMRK members at the edge of receiving duties, I personally thought this was going to be a cakewalk as we carry the experience from first duty. Just like the baby who is about to see this world has his own plans during labour, our Lord Muruga Peruman also had his own plans. We were still thinking that this was another pradhista like Mayura Simhasanam. The phrase "God has his own plans" comes to my mind and I am glad He has always been there to prepare and guide our captain during the crucial time.

A mother knows that the baby will eventually come to the world but the journey and the human emotions associated with the journey are inevitable. The mother's world will stop during the labour as for the baby the mother is his whole world. The mother would like to keep everything as a secret and would focus only on delivering the baby. Our captain, the mother of this group was also under a similar situation and the only thing he focussed on was to successfully perform the Second duty. And boy, was he not

successful. MS Dhoni has a knack of identifying his emotions but still came out successful in everything he did, earning the name “Captain Cool”. I think it is time for our group to name our Captain as “Captain Cool”.

A couple of years ago, my wife and I had gone to Thiruvannamalai for Girivalam on a non-Pournami day. We started around 4 pm and I had never walked such a big distance barefoot. In the final phase, probably a kilometer before the finish, I just couldn’t take another step. While my wife, the mother of two was still walking and was only thinking about the finish line. I stopped her and asked, “How are you still walking, don’t you feel the pain?”. She replied, “I have experienced the pain of delivering two babies, and this is nothing compared to that”.

Dear Captain Cool, you have gone through such difficulties during this Second duty and I pray that these turn into wonderful experiences that guides you and us through our journey in this beautiful mission.

Om Saravana Bhavaya Namaha.

- **Mr. Yuvaraj, U.K.**

4) I have been involved with LMRK for the last two years and the journey has been quite exciting as well as fulfilling. Over the last two years, I made a lot of friends, contributed to the E-Magazine, and took part actively in the LMRK meetings. At crucial junctures in my life, I was guided by Rejithji. It was Muruga Peruman’s grace that made me immerse myself in the Second duty actively and contribute my best.

i) On 12-01-20, Mr. Srinivasan called me and enquired about getting a Panchaloka Moorthy of Muruga Peruman. I enquired in familiar places known to me like Giri Traders and Indra Brass Metals at Mylapore. I liked the Moorthy of

Muruga Peruman in Raja Alankaram and informed about this through a photo. Mr. Devan then stepped in and said we can go and have a look. We went to Indra Brass metals and got a glimpse of the Moorthy. Its size was not of 2 feet as requested by Rejithji. To our surprise, the shop keeper informed us that he could get us one of that size the next day. On 15th evening we went and had a look at the Moorthy. Shri Rejithji had a look at it through the video call and was happy and asked us to get it. We got the idol and the necessary ornamental accessories. While leaving the shop, Mr. Devan asked me if I had brought my car, to which I replied yes. To my big surprise, he shared that he was not in a position to keep the Moorthy and asked me if I could. I happily agreed to this. Muruga Peruman thus made His visit to my home on Mattu Pongal day.

ii) Over the next few days, we decided to make the ornamental accessories by home. After an initial debate at home, my wife decided it was her duty to make these. Within a few days a Panchakacham Dhoti, a Royal Blue upper garment, and an Orange coloured Angavastharam were ready. There is another twist to the tale here. When I had gone to buy a silk angavastharam, I had selected an orange one, but the shop keeper insisted that I take an additional angavastharam in white. Though I didn’t initially agree to this he finally persuaded me to buy it by insisting that it would be required. I will narrate its connection later.

iii) Shri Rejithji made his visit to Chennai in February. He said that he will visit my house and perform pooja to the big Panchaloga Moorthy of Muruga Peruman. We had kept everything ready. By late evening he called me and said that Muruga Peruman had instructed him to visit on the Thai Poosam Day. Little upset, I, however, waited for his visit the next day. In the evening

Mr. Srinivasan called me and said they had to another place and will be delayed. He conveyed that Rejithji had asked me to wait. Finally, Rejithji with Mr. Baskar, Mr. Nirmal, and Mr. Srinivasan reached my home. To my happy surprise, Rejithji handed over the Navapashana Murugan to me and said that it will be in my pooja till the Pazhani function. What a pleasant moment - we were excited. We organized everything - and the white silk angavastharam was wrapped around the Navapashana Murugan! What a foresight by Muruga Peruman. The next 15 days was like a festival time in our home - Pooja for both the Moorthies of Muruga Peruman was done. We experienced very high energy vibrations and a sweet incense smell wafting around the pooja space.

iv) Before starting the journey to Pazhani, I had to handover the Moorthies to Dr. Aristatil and Mr. Chellapandian. We had got attached to the Moorthies and sentimentally we felt that our very own small children (Moorthies) were leaving us. However, we philosophically consoled ourselves by saying it is for the welfare of the world - Loka Kshemam Sukhino Bavanthu. At Pazhani, I had a fantastic Raja Alankara darshan. Under the direction and guidance of Rejithji, I was actively involved in the Pooja at the Chathriram, Anjaneyar Malai, Aivar Malai, and later during Girivalam. It was a big moment for all of us LMRK members.

After I left Pazhani, I got a call from Mr. Srinivasan saying that the Panchalokam Murugan will be housed at my pooja space till its travel to Switzerland as instructed by Rejithji. How can I describe the joy we felt, when we received Lord Murugan again after being energized at the Poojas conducted at Anjaneyar Malai, Aivar Malai, and Pazhani?

v) Post the Pazhani-Switzerland Selva Thiruvizha, Rejithji went into deep meditation. I got good experiences in my meditation - like a red planet rising, a green wave soothing everyone, and finally a grand function in a cave with Rejithji praying before a moorthy of Lord Murugan exactly like Pazhani Andavar. The cave was covered with big Narasimha murals and lamps. When I shared this with Rejithji, he said it was Muruga Peruman blessings and that Muruga Peruman would protect us. On 11th night, Mr. Devan called up and told that Rejithji asked us to pray at 03.30 AM (IST) for Pooja. I joined the historic moment from my home by doing pooja to Panchaloga Murugan after which I went into deep meditation.

Every day when I do pooja at my house - Lord Murugan gives me a mystical smile. I wonder what is in store for us in our next mission...

Om Saravana Bhavaya Namaha

- Mr. Datthathiri.S, Chennai.

5) Though I am far away from my homeland India, I wanted to be an active participant in the LMRK's Second duty of Lord Muruga. Every day I would approach some of my friends and relatives and thus got a chance to talk about our captain Rejith Kumarji and his work through the LMRK mission during the Muruga Yugam apart from the events of the Second duty to be held at Pazhani and Switzerland.

As a first course, I shared our Rejith Kumarji's video on the 2nd duty, gave the details about his spiritual journey, and the LMRK Mission through www.lionmayura.org, apart from mentioning about the Navapashana Bala Murugan Moorthy and Lord Anjaneyar's Moorthy. I reached out to my friends and relatives, about 200 persons, and spread about our mission's work apart from raising funds for the Second duty. While doing

this divine work I understood the significance of the Second duty and the importance of our mission even more deeply.

At a personal level, I wanted my friends and close family members also to know that there is an organisation called Lion Mayura Royal Kingdom, which is working under Lord Muruga's direction led by Shri Rejith Kumar for the welfare of humanity.

My family and I had the opportunity to get the LMRK Invites and flyers of the Pazhani-Switzerland Selva Thiruvizha blessed at the sanctum of Lord Muruga with His Divine Consorts Goddess Devasena and Valli at the Shiva Vishnu Temple at Greater Cleveland on Sashti Day.

Mr. Pandian getting the Pazhani-Switzerland Selva Thiruvizha Invites blessed at Shiva Vishnu temple of Greater Cleveland

We did a pooja for the success of the function at Pazhani and distributed them to the priests and devotees of the temple.

Once the Pazhani function got over, I sent the videos of our functions to all my friends, with whom I have connected in this regard. During the Mayura Simhasanam duty, a grand event had been held at Pazhani on 30-09-18 to honour the Mayura Simhasanam during which the Vels

had been blessed. I had procured 50 of these as I had mentally prayed to Lord Muruga that I would distribute these Vels to Muruga devotees. I got this opportunity now to distribute these Vels to the members who contributed to the Second duty. I want to thank Sister Chandrika and Brother Karthik Mangalanathadurai who helped me reach it to LMRK Members. Here, I would like to appreciate Brother Karthik, who has supported me in all LMRK activities that we have worked together. LMRK USA members were very much happy to get these Vels.

I felt blessed to watch all 3 functions held at Pazhani live through Facebook on 21-02-20. On 12-04-20, LMRK members saw the pooja done to Kuzhandhai Velayudha Swami through the WhatsApp video. I posted the photo of Lord Balamurugan Avataram on Facebook as suggested by Rejith Kumarji through the Facebook live video to all my friends and relatives.

On the Balamurugan Avatar day, 12-04-20, I had an early morning vision, in that, I saw Rejith Kumarji holding a plate full of fruits with brother Srinivasan at Pazhani Temple having a darshan of Lord Muruga. I was also present and standing inside the temple, Rejith Kumarji looked at me, and then Rejith Kumarji laid down on the floor outside Bogar Siddhar's Jeeva samadhi and went into a meditative state. I found myself walking towards him and thinking that I should talk to him once he gets up from his meditation.

To conclude, I would say the Second duty happened successfully with the help of all LMRK souls under Rejith Kumarji's guidance. I have surrendered myself entirely to Lord Muruga to do his service through the tasks assigned to me through the mission. I feel blessed to be part of the LMRK mission in the Muruga Yugam.

Om Saravana Bhavaya Namaha.

- **Mrs. Rani Chandrakala Pandian, U.S.A.**

6) I was happy that I could participate in the Second duty and I thank Rejithji for giving me this opportunity to work with other blessed souls of this divine mission. There was divine guidance behind each and every aspect of this divine duty...

i) Whenever I have approached Rejithji regarding work or personal healing which proved to be a challenge during work, he would always constantly affirm 'With Muruga Peruman's blessings'.... the situation would get resolved. His unfaltering faith in Muruga Peruman has left a deep impression on my mind.

ii) Even when the ultimate test came in the guise of his mother's health Rejithji's faith in Muruga Peruman did not falter even for a moment. He genuinely leads by example, come what may, the divine duty in all aspects always got the first priority. This, in turn, invoked divine grace - thus Rejithji highlighted the concept of 'Saranagathi' through his actions. My humble pranams to Rejithji's family members who have selflessly supported him in all his divine duties.

iii) **Muruga Peruman chose to send the Navapashana Moorthy of Muruga Peruman to Rejithji through Mr. Ramesh even before the Second duty – the Swiss Pradishta was revealed to Rejithji.**

iv) The completion of the duty was for the financial prosperity of the world but the Lord also decided to come in the Navapashana form for also another reason – that was to heal the world. When Rejithji announced it, the feeling was one of immense relief as **Muruga Peruman had come to protect His world during the Corona Crisis.**

v) **Muruga Peruman chose His own Vel** – I received a vision of a Silver Vel studded with an emerald. At the same time, I received this vision, my father got a similar thought to make a Vel for the Navapashana Moorthy. We decided to seek Rejithji's advice on this. Rejithji prayed to Muruga Peruman and after getting His permission gave us the go-ahead for making the Vel. The Vel was blessed by placing it at the Holy Feet of the Moolavar at Thiruthani, it was placed in the hands of Lord Vinayagar, Utchavar, Devanai Amman, Valli Amman, and Mother Durga. It was later taken to the Aadhi Parasakthi temple at Pallikarnai where it was placed in the divine sanctums of Mother Raja Rajeshwari, Mother Manthira Pava, and the 18 Siddhas. We prayed at home to our Kula Devi Appur Sri Koti Amman and sought Her blessings for the Vel before it reached Pazhani. I thank Mr. Srinivasan, Mr. Sujith, Mr. Datthathiri, Mr. Nirmal Kumar, and Mr. Mandrasala Moorthy who came forward to help in taking care and reaching the Vel to its ultimate destination.

vi) The work for the Thiruvizha rose to a crescendo in the last three months. Our members steadfastly worked day and night towards making the Thiruvizha a reality. It was a joy to work in an atmosphere that resounded with the love for Muruga Peruman. Muruga Peruman gave us an opportunity to receive His blessings during the Pazhani Thiruvizha. This was like a deep battery charge in terms of bliss. It was wonderful to see the happy smiles on everyone's face.

vii) **The Lord who fixed the divine dates also took care that He Should reach His destination. Can a pandemic stop Him...?** He cancelled Mr. Sujith's flight and got it preponed – it was the last flight out and made sure he reached safely. To know and read about such miracles is one thing but to see it happen is another. It was nothing short of a mind-blowing experience.

viii) Even during the Corona crisis, Mr. Sujith got things ready on time and remembered all of us by placing a placard saying 'To All Our LMRK Souls'. Looking at the placard was a poignant moment for me. **The love of Muruga Peruman within each of us is working through all the barriers and bringing oneness in us.**

ix) **Rejithji's vigilance and guidance through all the challenges and Mr. Sujith's surrender to the Lord in carrying out his role of performing the pooja is an inspiration for all of us... leaving us to reflect in the magnificence of Muruga Peruman and those who have the utmost faith in Him.**

Om Saravana Bhavya Namaha.

- **Mrs.Sowmya Nikhil, Chennai.**

7) I am someone like you who has joined LMRK only with the blessings of the Lord. Every job our captain gives me is a dedication to Lord Murugan. I did not want any material benefits, other than spiritual growth. But my material life and spirited life continues to grow today, with blessings of the Lord and the care of our captain.

Many of our group members shared their experiences. We have heard with great devotion that the prayers of Rejithji have changed many things in their lives. Many people have asked me if I have got anything done through Rejithji. Now I am telling all those who asked and those who are skeptical that though I have asked for many others, I have never asked him anything for myself.

But the things that Lord Murugan and Rejithji did for me were invaluable. Whether it is the business that I do or the new job that I have now, I could sense the clear hand of Lord Murugan and our captain. I had lost the government job

during the time we were working towards the Second duty. I was in a very weak state mentally.

The captain listened to me on this said to me, "Do the work of the Lord which I entrusted to you first, and surrender your problems to Him." After this, I did not focus on my problems and got completely focussed on the Second duty. I was able to go through all the obstacles without much effort.

I feel the successful completion of the Second duty was pretty much the result of all our efforts and I am happy to share that last month I got a new job. More important than this job, is the spiritual happiness given to me by Lord Murugan. I was able to work with the captain of our LMRK mission. I don't know how to share this precious blessing with all of you. Finally, to those of us who live in many parts of the world, I thank our God and our beloved Captain, who has joined all of us together like the pearls of a chain.

Om Saravana Bhavaya Namaha.

- **Mr.K.R. Rajesh, Thrissur.**

8) I am from Texas, USA. I would like to share with you my experiences during the Second duty.

Mrs.Rani Pandian and I are the PRO's for the USA. We had decided to collect 10,000\$ and contribute to the Second duty through this from the USA region. Almost, every day we used to connect and discuss our plans to raise funds. We decided to contact our friends and relatives apart from LMRK members and put in lots of effort towards this.

Although I was initially concerned if we could reach the fundraising target, Mrs.Rani Pandian however said that we will pray to Muruga

Peruman to help us in our work and we should surrender the outcome to him. Actually, this proved to be our key strength, and the chanting really did the magic. Shri Rejith Kumar also helped us by passing energy and blessed us in this effort whenever it was possible for him.

We were happy to reach our target of raising funds for the Second duty. One thing is very much true, we need to have faith in Muruga Peruman and need to pray and chant 'Om Saravana Bhavaya Namaha' as much as we can. I truly believe that Muruga Peruman will never forget us and he is listening to our requests.

We had a few 'VELS' which had been earlier worshipped at Pazhani during the Mayura Simhasana Thiruvizha. These were distributed to a few LMRK Members who had contributed towards the Second duty. Most of them shared that the Vel had reached them when they were in real need. We were very much happy to hear this, Muruga Peruman is the 'doer' in everything.

I would like to say again that Muruga Peruman never forgets us and he is always listening to our prayers and He knows when to step in and protect his devotees. I would like to conclude by conveying my special thanks to Mrs.Rani Pandian for the abundant efforts she had placed towards fundraising.

Aum Saravana Bhavaya Namaha.

-Mr. Karthik Mangalanathadurai, USA.

Mr. Mangala Prabhu started the meeting sharing that LMRK is a divinely led organisation and that Muruga Peruman has chosen Shri Rejith Kumar to reveal the secrets of Kumarikandam and Mars and that some specially selected souls would help him carry out this mission. He shared the following information i) Mr. Yuvaraj who is the caretaker of the Mayura Simhasanam has now become one of the directors in Lion Mayura Film Production Company. ii) Mr. Balakrishnan our US LMRK member is one of our investors in LMRK TV. iii) Rajesh Pillai of the Tatwamayi channel has partnered with LMRK. (His brother Mr. Rajesh Pillai had written the article on Shri Rejith Kumar in 2007 for the very first time). iv) When the message about the Pradishta of Navapashana Moorthy in Switzerland was announced the concerned members from Switzerland came forward to carry out the duty (Mr. Ramesh and Mr. Sujith).

Shri Rejith Kumar then began his talk narrating about Mootai Swamigal Siddhar and Sakkadai Siddhar who were Avadoothas. He shared that

permission has not been given for the LMRK Calendar as of now by Muruga Peruman. ***The sanction for the LMRK Calendar will come only at the divine timing which we will follow for the next 2,000 years.***

Shri Rejith Kumar then narrated “I started this journey in 2005, and then many people joined after that and many more are there yet to come. In 2015, Muruga Peruman gave me permission to start an organization, a function was kept in Thrissur to commemorate this. Its cost was about 6 Lakhs. We were short of funds. I had already taken a loan of Rs. 2 Lakhs. I used to keep Rs.6,000 aside every month to pay it, my salary was less at this time. When I was wondering how I would be able to raise the necessary money, the very next month I became a permanent salaried employee. Two years went by, many people joined me like Mr. Devan. When we got our first duty of the Mayura Simhasanam, the necessary finances came automatically. For the Second duty, the fundraising was even more smooth as the mission is going to a higher level with each duty being completed.

I used to go with Mr. Senthil to various places as directed by Muruga Peruman and that is why we are the way we are now. It's a new type of organisation. Normally only when a person renounces and does arduous penance does he attain spirituality. Lord Buddha had to renounce his royal life in search of spirituality. Sri Shankaracharya was a renunciate who took charge of the mission to spread Hinduism during his period. The Hippies spread their brand of spirituality through love in the 1960's – 1970's.

Muruga Peruman directed me to start a new style of spirituality and that while living a normal householder's life I have to spread the divine information worldwide. According to the mission each duty is being given. In the Mayura

Simhasanam duty, challenges came but it got resolved under Muruga Peruman's protection.

DEVOTEE EXPERIENCES

Healing Miracles through Shri Rejith Kumar's Prayers

1) Vanakkam. I wish to share my experience with all our group members. I'm a mother of 2 children. My younger son was diagnosed with Autism when he was 3 years old and he is now 11 years old. He is non-verbal and walks on tiptoe. Due to his prolonged tiptoeing, he developed a protruding rib bone. As such doctors diagnosed that he could also have cerebral palsy and spastic condition. Besides caring for his daily needs, our family went through other tough phases in our life with legal matters, financial difficulties, and debts. I was totally devastated due to my son's recent condition as I am the main caregiver for him and didn't have any other support. Both my son's condition and our family situation had deteriorated my health.

It was at this juncture; I was informed by my cousin about Rejith ji's visit to Singapore. After meeting him in person and getting his blessing, I felt a lot of relief. He did a healing for my son and on that same day, I saw some positive changes in his behaviour. My son also began to sleep well at night. Recently he went for an MRI scan for his brain. The doctor told us that the result looks normal and didn't mention about his condition on cerebral palsy and spasticity.

This is when I contacted Rejith Ji for help to pray and to do healing for my son. He immediately replied that he will pray and do distance healing for him. Earlier this month, when I brought my son for his doctor's appointment, the doctor confirmed he is not suffering from cerebral palsy and spasticity. I am very thankful and grateful to Rejith Ji for his miracle and divine blessing. With continuous healing sessions, I strongly believe

my son's condition will slowly improve. With the blessing of Lord Muruga Peruman, he has slowly started to eat by himself with some guidance. I would like to thank Rejith Ji from the bottom of my heart for making a mother's suffering less painful and less stressful. I also notice that our family situation is slowly improving at the same time. We are very fortunate to receive the divine blessing from Rejith Ji. Thank you so much, Rejith Ji.

Om Saravana Bhavaya Namaha.

-Mrs. Ratha, Singapore.

2) Almost a year ago, my father suddenly lost sensation on his left hand and left leg. He was unable to stand or walk on his own. We admitted him to the hospital and immediately requested Rejith sir to pray for my father's recovery. He said not to worry and performed continuous prayer and distance healing. To our surprise, the next day, my father regained sensation on his hand and leg. He was able to stand and walk without any support. Within 3 days, he was discharged from the hospital. On the follow-up consultation, the doctor said it's indeed a miracle that my father survived and recovered from such a major problem.

We are grateful to Rejith Sir for his prayers and blessings. He is here to protect and help everyone through Lord Muruga's blessings. He had indeed protected our family through his prayers during many difficult times. It's really rare to see such a divine person with so much humility. We are truly blessed to know such a divine person in our life.

Om Saravana Bhavaya Namaha.

THE CHIDAMBARAM VISIT

The most important task after Pazhani-Switzerland Selva Thiruvizha, was to conduct the Pradishta of Muruga Peruman's Moorthy and Sri Anjaneyar's Moorthy in Switzerland. It was a very important duty given by Muruga Peruman to the LMRK Mission, but the sudden outbreak of COVID-19 had brought the world to a grounding halt. Only Divine intervention could pave the way to completion of this divine duty.

On 07-02-20 Mr. Devan called me and asked about the whereabouts of Thirumoolar Nathar's Samadhi. After speaking to the Raja Deekshidhar (Chief Priest) of the Chidambaram temple I confirmed to Mr. Devan that it was Chidambaram and offered to organize the pooja and darshan there as I knew the Raja Deekshidhar there. Mr. Devan later shared that Shri Rejith Kumar was directed to visit Chidambaram and offer his prayers there to reduce the outbreak of Covid-19 Virus and pray for removal of any obstacles that may come up while carrying out the Switzerland Pradhishta duty. Mr. Devan later confirmed that Shri Rejith Kumar wanted me to accompany them for the Darshan and Pooja at Chidambaram on 09-02-20. I happily accepted and spoke to the Raja Deekshidhar and organized for the pooja and darshan.

09-02-20

I met Shri Rejith Kumar and Mr. Devan at Vadapalani and we started our journey in Mr. Devan's car. Mr. Baskar joined us near Sholinganallur Junction. We had light refreshments and sped fast towards Chidambaram as we had to reach there for the pooja at 6.00 PM. On the way, Shri Rejith Kumar enquired about Thirumoolar Nathar, Vyagrapadhar (Pulikkal Munivar), and Pathanjali

Maharishi and the connection between them with Lord Nataraja at Chidambaram. I answered this in detail and also shared the connection with Thirupattur (Near Trichy where Sri Vyagrapadhar and Sri Patanjali's Jeeva Samadhi are located). We were very curious about the sudden visit and Shri Rejith Kumar shared that he will explain the details later.

Chidambaram Nataraja Temple

It was time for the Sandhya Pooja. We rushed to the temple and met the Raja Deekshidhar. We had an excellent darshan and pooja was performed for Lord Nataraja. We had darshan of Swarna Bhairavar and other Devatas. Shri Rejith Kumar was honoured with an ornate shawl by the temple and was given the Prasadam by the temple authorities. Shri Rejith Kumar's Space Pen was placed at the feet of Lord Nataraja who is the ruler of our Cosmos during Pooja. It was a pleasant surprise to us that it was an auspicious Poornima day and the Moon gleamed back at us bright and big.

The Raja Deekshidhar escorted us to the sannidhi (sanctum) of Thirumoolar Nathar where He had merged as light form into the Sivalingam. He explained the details of the sannidhi and showed us the Moorthies of Sri Pathanjali Maharishi and Sri Vyagrapadhar. He

showed us the tiger's paws of Sri Vyagrapadhar and explained the reason. Shri Rejith Kumar suddenly knelt before the Moorthies and started praying.

Shri Rejith Kumar meditating inside Thirumoolar Nathar's Sannidhi

Pooja was conducted at Thirumoolar Nathar's sannidhi and we were given prasada. We were surprised to see a big yagna being organized. The Deekshidhar explained that the Kumbabisekham of the sannidhi had been conducted the previous month and the Mandala Pooja for it was happening now. Being Monday as well as a Poornima day, a special yagna had been organized. We meditated and offered prayers to Sri Thirumoola Nathar for 20 minutes.

Shri Rejith Kumar meditating with Mr. Datthathiri and Mr. Devan at Thirumoolar Nathar's Sannidhi
I chanted Lagu Rudhram 121 times during this time. We moved to Sri Sivagama Sundhari

Sannidhi and had the darshan of Amman Sandhi Pooja. Deekshidhar insisted that we should see the auspicious Rakkala Pooja of Lord Natarajar and receive the prasada.

Shri Rejith Kumar with Mr. Devan and Mr. Datthathiri at the Chidambaram temple after darshan at Thirumoolar Sannidhi

We then sat before Lord Nataraja's Sannidhi and had the blissful opportunity to witness His Abhishekam and our hearts were filled with bliss from the excellent darshan. With great surprise and awe, we received the 'Kunjitha Padham' which adorned Lord Nataraja's lotus feet, from the Deekshidhar. Kunjitha Padham has two meanings. It denotes - the lifted left foot of Lord Nataraja while he is dancing and the ring-like ornament adorning the foot of Lord Nataraja. Kunjitha Padham is placed around Lord

Kunjithapatham

Nataraja's lifted foot and is made out of various herbal roots.

This is considered to cure many health-related diseases and also believed to have the power of giving Moksha. When I explained this to Shri Rejith Kumar, he said that Lord Nataraja and Thirumoolar Nathar had blessed us and our mission. We spent some time there and later returned to our hotel for the night.

Shri Rejith Kumar looking at the Full Moon and offering his prayers at the Chidambaram temple

Shri Rejith Kumar with Mr. Datthathiri, Mr. Devan and Mr. Baskar after darshan

I felt it was an amazing experience to have Lord Shiva's Darshan on not only a Monday (a day considered most auspicious for worshipping Lord Shiva) but also on a Pournami (Full Moon) Day. After reaching our hotel we spent some time discussing various experiences we had

received during our association with LMRK and went to sleep around 11.45 PM.

10-02-20

We started in the early hours from Chidambaram. Our trip was not complete without a darshan of Goddess Thillai Kali.

Goddess Thillai Kali temple at Chidambaram

It is believed that Goddess Thillai Kali gives Her darshan from another temple, as She had left in anger after losing to Lord Nataraja in the dance competition between them.

The temple was yet to be opened and we spent some time waiting outside the temple. Finally, the temple doors opened and we had a wonderful darshan of Divine Mother Thillai Kali in Her magnificent divine form. The priest blessed us and gave a lemon garland from Divine Mother Thillai Kali to Shri Rejith Kumar as if giving Her protection. It was another divine moment for us.

During the travel back, Shri Rejith Kumar shared that he had been getting a dream vision of being nudged by a tiger which repeatedly was appearing around his house – he revealed that it was none other than Vyagrapadhar Siddhar who had come to protect him and support him in carrying out the divine duty. He also shared that Kathavirya Arjuna, Idumban, Lord Karpanasamy

will be protecting him during the last 4-5 days before the Switzerland pradishtha.

I would like to conclude by sharing it was a great trip – we were blessed to have darshan of Lord Nataraja, receive His Kunjitha Padham and other prasad and meditate at Thirumoolar Nathar's Sannidhi along with Shri Rejith Kumar.

Om Saravana Bhavaya Namaha.

-Mrs.Sowmya Nikhil & Mrs.Ramani.S

4. Shri Rejith Kumar's Concall with LMRK Members on 05-01-20 at 10.30 AM (IST)

Shri Rejith Kumar and LMRK members from Chennai, Kerala, Bangalore, Malaysia, and Singapore joined the video conference to discuss the activities relating to the Swiss Pradishta Thiruvizha to be held at Pazhani. Shri Rejith Kumar warmly greeted all the members as each of the members joined in the meeting from

10.30 AM. Shri Rejith Kumar opened the session and invited the members to ask spiritual questions. They are:

i) Please tell us about the significance of the Pradishta of Moorthies in Switzerland?

A: We are planning to do special poojas at Anjaneyar Malai and Aivar Malai. This will be followed by a Girivalam around Pazhani Malai on Maha Sivarathiri Day (21-02-20). The first duty was the pradishta of Mayura Simhasanam at Zero Time Zone at Wales, U.K. as everything begins at Zero. The world is controlled by a main factor - this is Money. Only if the Money factor is controlled, the mission will go the next level. The LMRK Mission is a very big mission which is to last for the next 2000 years and for this Money control is necessary. There is a reason why the pradishta has to happen in Switzerland – if Money Energy would come under the charge of Muruga Peruman then those energies would spread through the world and the Money System will change. That is why we are doing the pradishta under the direction and protection of Muruga Peruman.

ii) What is the significance of the 6th day of Sashti?

It is a very powerful day and that is the reason after getting Muruga Peruman's approval we began the LMRK Mission on a Sashti day with His blessings.

iii) Please share with us the message relating to St. Thomas Mount? (You had shared that it was an important energy point which will help one to travel to Mars).

A: This happened last week after I left the airport in Chennai and was travelling. I got a message relating to this. I had asked Mr. Prabhu if there is a hill opposite to St. Thomas Mount. He

replied that it was Bringi Siddhar's place. I was pleasantly shocked to hear this as I am aware of Bringi Siddhar. In Pazhani, I know the pandaram of the temple, he had revealed to me that next to the Valli Sunai cave, there is a tree and that Bringi Siddhar's power is present in that. I had also received a message that Bringi Siddhar would give information about Space travel. So, whenever I used to visit Pazhani, I used to go and pray there. Apart from this, I didn't hear anything afterwards. Now when I came here, I was given the message that if we were to visit the hill opposite St. Thomas Mount, we would get the energy to do Space travel and I have come to know this place is related to Bringi Siddhar.

We visited the church on top of St. Thomas Mount but we were unable to visit the other hill opposite to it as it is a military protected area. It's a powerful energy point and we can receive the energy necessary to do Space travel from there. I would like to go and pray there.

iv) What is the Significance of the Swastika symbol? On visualizing it can one progress both spiritually as well as materialistically? Is there a method as to how one can visualize it?

A: As you know the Swastika is formed of two intersecting lines. The first line is represented by the Karthika or Pleiadian energy and the second line is representing the Big Dipper or Sapta Rishi Mandalam energy. The midpoint of these 2 lines is the Swastika and comprises of Shiva-Sakthi energies. It is a very powerful symbol. If you go visit often and pray at the Swastika Point at the Mac Ritchie Reservoir with the Energy point photo you will receive a lot of energy. It is as spiritually powerful as Aivar Malai in Pazhani.

v) What is the significance of the Lunar eclipse which is to take place on January 10th?

A: I have not received any message relating to this. Please pray during this time. (Mr. Srinivasan shared that Shri Rejith Kumar had shared during a similar lunar eclipse on Thai poosam day in January 2018, they had chanted 'Om Saravana Bhavaya Namaha' for 15 minutes at midnight on Shri Rejith Kumar's guidance as it was a spiritually powerful day).

vi) There is a lot of confusion present in our country (India). What should we do to clear this under Muruga Peruman's direction?

A: Our mission's duty is in Muruga Yugam. We must give our focus in doing the duties as directed by Muruga Peruman and through this, automatically good changes will happen.

vii) Would it be best to carry the Energy Points Photo or Muruga Peruman's photo especially by those who frequently travel? Will we get energy if we meditate on the energy points?

A: Every Sunday, please meditate between (10.00-10.15) AM we can receive the energy from all energy points.

viii) For the Second duty (Switzerland Pradishta) is the (program) going to be like last year?

A: We are going to start the function by doing pooja to Muruga Peruman's Moorthy and Lord Anjaneyar's Moorthy early in the morning on Maha Shivarathiri day at Anjaneyar Malai and then by a pooja in the afternoon at Aivar Malai. This will be followed by a Girivalam lead by Muruga Peruman's Moorthy on the elephant followed by Lord Anjaneyar on the horse chariot accompanied by musical instruments in the evening before the Moorthies are sent to Switzerland for Their Pradishta. We have secured a good place in Switzerland to do the Pradishta on Easter Day. In Chennai, we have a big group that is active and working well. In

Kerala also there is a big group. They will work together for the Pazhani function.

(The Session proceeded to discuss activities relating to the Swiss Pradishta).

i) Mr. Sugumar: Can I make Silver Kavasam for Lord Anjaneyar? (I know a person who can do this, he has a branch at Kumbakonam where he can do it but he says his team will take 2 months to complete this).

A: Shri Rejith Kumar – We have time till Easter. Mr. Prabhu and Mr. Chella Pandian will coordinate with you on this. Mr. Prabhu confirmed that he would be coordinating on this along with Mr. Chella Pandian.

ii) Cost of Hiring Elephant and Chariot and Horse Carriage for Girivalam procession:

Shri Rejith Kumar shared that Muruga Peruman's Moorthy will be carried on the elephant and Lord Anjaneyar's Moorthy will be carried by the horse chariot. Mr. Karpanasamy (Indonesia) agreed to sponsor this cost.

iii) LMRK T-Shirts for Volunteers: Shri Rejith Kumar shared that the members who come for the Pazhani function would need LMRK T-shirts. These will have both Red and Blue LMRK colours. Mr. Deigan from Malaysia agreed to sponsor for this.

iv) Pooja Things – Persons responsible are Mr. Datthathiri. S, Mr. Mandrasala Moorthy, Mr.H. Krishna and Mrs.Ramani. S from Chennai.

getting details as to the number of rooms required by their respective members apart from receiving them.

vi) Singing of Thiruppugazh Songs -

Thiruppugazh songs will be sung by Mr. Simmam Kumar and Mrs. Ramani.S during the Girivalam.

vii) Meeting with Mr. Jagan's Team in Pazhani

The Kerala core team's 4 members comprising of Mr. Gokul, Mr.V.A.Anoop, Mr.K.Anoop, and Mr.K.R.Rajesh and the Chennai Core team's 4 members – Mr.Prabhu, Mr. Baskar, Mr.Chella Pandian, and Dr.G.Aristatil will meet on the 13th of January 2020 (Monday) in Pazhani to coordinate the activities in Pazhani with Mr.Jagan's team and book the necessary rooms for the members. 7. Shri Rejith Kumar's Concall with LMRK Members (12-01-20) at 10.30 AM (IST)

Q & A Session

i) Inspite of my prayers and doing Annadhanam, I still am facing the impact of my karma, do prayers have an effect on them?

A: There is a divine timing for the Karma to work itself out. It could be from a past life. To reduce its effects; prayers and visiting temples can help. It will not go in a day; it will take its time.

Q: After the Second mission you said our energies will go the next level?

A: After the successful completion of the Second duty, everyone who worked for it will get a lot of energies and will automatically go to the next level.

Q: What kind of change can we expect globally after Switzerland Pradishta?

A: The Muruga Yugam is to last for 2,000 years. Mayura Simhasana Pradishta helped spread Muruga Peruman's energy throughout the world. Money is an important factor to effect changes in the Muruga Yugam. With the completion of the Second duty, the system of money will change, there will be a new system of currency which will be a great help for the Muruga Yugam. Now the dollar is important, we will see the change only after the duty is completed.

Q: How many dimensions are there in this Universe?

A: Many are there. I cannot exactly say.

Q: In the Australian bush fire, many animals have died? Why?

A: Two things I would like to share - i) The US - Iran war-like tension was there recently. Guru Babaji is responsible for World Peace in Muruga Yugam. Prayer has been done for this and there has been positive news in this regard - war has been stopped because of Babaji's blessings.

ii) For Australia the sanction was not given. Kumarikandam is connected to Australia. The Australian currency is going to become most important. In Australia, high vibrational energy has descended. This was the cause of the Australian bush fire. In a temple when a yagna or a fire ritual is done after that it will become powerful and famous, similarly this is a kind of revitalization of that place after which only it can go to the next step. When history changes, these kinds of things happen for it to go to the next level.

Q: If we have participated in some way for the duty, but are not able to come to Pazhani. Will we still get blessings?

The members who visit the three energy points- Anjaneyar Malai, Aivar Malai, and the Girivalam will get definitely get extra blessings. All involved will get, but those who come to Pazhani will get extra blessings.

Q: Why is there a lot of uncertainty these days?

A: As energies come in the Muruga Yugam we will see positive changes. The Muruga Yugam is for 2,000 years - this is a very long time. With every step taken and each duty completed, it will bring about a positive change. We will see this in our lives.

Q: When we chant the mantra 1 Lac times for example 'Om Saravana Bhavaya Namaha'. How would we know that we have attained Siddhi?

A: You will get signs of this for example you will be able to know things ahead.

Q: The Moorthy of an idol should be kept in which direction? East or West? Will the effect of chanting the mantra vary according to the direction in which the idol is placed?

A: I know about 'Om Saravana Bhavaya' mantra when you chant this you will get energy. As per my system, the idol can be kept facing East or West. Both are good you can follow accordingly.

Q: I have 2 questions – i) In temples I see Muruga Peruman's idol facing the east, only in Pazhani the idol of Muruga Peruman faces the west?

A: In Kerala, Muruga idols face western direction. I am sure there is a secret to this. It will bring a lot of changes. In Switzerland also it will be facing only the west.

ii) 'Thana Sendha Kootam'- The LMRK Mission comprises of Karthigai energy souls, to what scale will the mission grow?

A: Definitely it is a 'Thana Sendha Kootam' (A group where members have joined through their own initiative). There has been no advertisement or promotion about joining the mission. There is a soul connection amongst the members. **The LMRK mission will go on for 2000 years.** Members who have joined here have either received visions or seen me in the videos (Moondravathu Kann programs in Vendhar Channel). At the correct divine timing, the spark will be ignited. **They could be Scientists, Businessmen, Politicians, Kings, or those who have ruling power, they will automatically connect and join.**

Q: After this Second duty, do you know what will be the next mission?

A: Many milestones will be there in the Muruga Yugam. As of now, I do not know. After the completion of the Second duty only, I will know about the next duty.

Q: Why do we need Media?

A: In all spiritual organizations there is a Guru and disciple concept. Here there is only a Captain who shares messages directly with the members. Muruga Peruman has instructed me that I should dress in the normal usual attire, lead a normal householder life and that I should foster brotherhood amongst members. This is a new system of spirituality. For example, The Muruga bhakthi is increased through making Muruga songs similarly the media will be a medium to spread the message to people from all walks of life. New revelations will be shared by me through this medium. Through Films and other media, information will be given both directly and indirectly to society that will impact it. For example, after the film, 'Babaji' was released more people got to know about Him. People will first approach for prayers and healing for self and business, only then they will believe and later come forward to take spiritual guidance.

Thiruvizha Planning

i) Mr. Mangala Prabhu detailed that a core team from Chennai and Kerala would be meeting with Mr. Jagan and his team to initiate the Thiruvizha work in Pazhani by meeting them the next day on 13-01-20 at 10 AM. They were to discuss the travel arrangements, hotel accommodation, hiring of cook, hiring of a jeep for transportation of idols amongst other things.

vii) It was decided that banners will be placed in Chennai in all Murugan temples and in strategic locations in Pazhani and Mr. Chella Pandian was given the responsibility.

viii) It was shared that Digital Media channels like Siddhar Bhoomi and Tatwamayi channel would be shooting the Pazhani-Switzerland Selva Thiruvizha. The events would also be covered through Shakti Vikatan magazine.

ix) Mr. Ravichandran from Mongolia was requested to bring water from Mansarovar and Shri Rejith Kumar shared that he had earlier helped him a lot.

ix) Shri Rejith Kumar shared that the Second duty was a very important milestone and the planning and organising have started with Muruga Peruman's blessings and everything will happen as per His divine direction. He complimented that the Chennai Core team is very active and remarked that we had a good team team in Kerala consisting of Mr. Gokul, Mr. Anoop, Mr. Anoop, and Mr. Rajesh. He asked everyone to coordinate and work together and stated that

Muruga Peruman's blessings will be there for those involved.

x) In 2018, the Mayura Simhasana Pradishta had taken place and is currently taken care of by our member Mr. Yuvaraj. After the pradishta, there have been many developments there and more people have started visiting there. Shri Rejith Kumar shared that we would have our own place of worship in Switzerland.

xi) The meeting concluded with Shri Rejith Kumar passing energy to the attendees for 5 minutes.

Shri Rejith Kumar addresses the Executive Members at the LMRK Office

11. Shri Rejith Kumar's Concall with USA and Europe LMRK Members on 26-01-20

Q: I heard that Lord Muruga is in the 8th Dimension and Lord Shiva is in 12th dimension, did you get a chance to enter into that?

A: Lord Muruga and Jesus are in the 9th dimension, I have experienced Him only in the Light form.

Q: According to the Bible the captain is Noah, similarly every mythology is having one captain, here the question is, how are you related to them since you are also a captain for the LMRK Mission?

A: For a new beginning someone will lead the happenings, similarly, I am the captain for our LMRK Mission.

Q: As per my understanding from your speech, once in every 2000 years energy changes happen on Earth. Till the year 2012 AD Christian energy was ruling and Lord Jesus was born as a child, now it's the Muruga Yugam, so will Lord Muruga incarnate as a child or has he already incarnated?

A: Muruga Peruman need not be born as a child, He can give the power to someone to do all the important work. Once the foundation is ready the energy will spread across the world.

Q: I am observing you since I joined in LMRK 2 years ago, you can sense the past and future of anything, how did you achieve this ability, is this because of Lord Muruga?

A: You have known me only for the past 2 years, to attain this stage it has taken 12 years. Yes, this is happening only because of the blessings of Lord Muruga. I heard that Saint Arunagirinathar also had taken 12 years to attain a higher state, there is something about the number 12 and 32

as it was only at the age of 32, I began my spiritual journey.

Q: When people like us, chant ‘Om Saravana Bhavaya Namaha’ 9 times, is it possible to move to the next higher state spiritually?

A: Yes, this is what Lord Muruga has taught me, this is the easiest way to get His blessings.

There are four ways to get the blessings of Lord Muruga. They are –

(i) Chanting ‘Om Saravana Bhavaya Namaha’ 9 times.

ii) Visiting all the energy points (till now 17 including Ujjain).

iii) Participating in all the Meditation sessions (Sunday meditation and other meditation sessions led by me), and

iv) Performing LMRK duties.

Once the Q & A session got over, he explained briefly about the events at Pazhani. The meeting concluded with Shri Rejith Kumar passing energies for 5 minutes during the meditation.

The attendees of the meeting were –

13. Shri Rejith Kumar's Concall with LMRK Members on 16-02-20

Vanakkam to Everyone. I will first address the spiritual Q and A, then the planning relating to Pazhani function and then conclude with the energy passing. **Muruga Peruman has given an important message about the Corona Virus.** Each Siddhar has been assigned as a responsibility in the Muruga Yugam i.e. Lord Nandhi Devar for World Politics and Guru Babaji for World Peace. For example, North-South Korea issues got resolved by praying to Guru Babaji. More recently the US-Iran war-like tensions which seemed likely to escalate into a war got resolved by praying to Guru Babaji. **Muruga Peruman has revealed that praying to Thirumoolar Siddhar will help the world to get relief from major diseases in the Muruga Yugam such as the Corona disease under Muruga Peruman's direction. This is a big message which we have received. That is why we had prayed from 10.15 AM to 10.30 AM to Thirumoolar Siddhar regarding the Corona Virus. With Muruga Peruman and Thirumoolar Siddhar's blessings this issue will be resolved soon.**

Q: I have a Vel at home, what kind of pooja should I do?

A: Please light a lamp before the 'Vel' daily and offer red flowers for it. Abhisekham can be done with milk on importance days for the pooja are Soora Samharam, Sashti, and Thai Poosam.

Q: When my friend had a problem with his boss at work, he was facing a lot of pressure, what should he do?

A: Please keep photos of Muruga Peruman and Sri Anjaneyar and pray to them.

Q: What is the connection between Muruga Peruman and Sri Anjaneyar?

A: Anjaneyar Siddhar is also doing a lot of help in the Muruga Yugam. In each Yuga, he has had a duty. It is rare for one to possess both Spiritual as well as Power (Authority) energies. He is an important Siddhar who has both these energies. He is going to do powerful things for Muruga Yugam.

Q: Which day is special for Sri Anjaneyar, and what kind of offerings or pooja must be done to him?

A: Please pray on Tuesday, and make offerings as per your personal preference.

Q: I have been sensing Muruga Peruman's energies for the last two years, though I had initially been praying to Lord Shiva and Devi Shakthi. When I started getting Muruga Peruman's energies I got confused as to why I was being led in this path. After coming here, I understand why. For Muruga Peruman, Shatkonam is the yantra. I have known it to be a meeting point for Shiva-Sakthi energies. You have shared that Swastik is a center point for Saptha Rishi Mandalam energies and Pleiadian energies. We usually know the Swastik only as a

symbol of prosperity, why were we not aware of the significance which you had shared?

A: Only now secrets are being revealed in the Muruga Yugam. I have travelled to some of the energy points activated them and revealed their significance. Ancient secrets necessary for the Muruga Yugam are being revealed now. One of the energy points is the Swastika energy point. It is there in many places one such place is the Aivar Malai. The Mac Ritchie Reservoir is a center point for Swastika energies. Swastika originates from the Kumari Kandam period. In Muruga Yugam lot of things related to Kumari Kandam are going come to out such as the Saptha Rishi energies, Pleiadian energies, Swastika center point in Singapore which have been revealed now as per Muruga Peruman. These are very powerful things which have been revealed only now, that is why we were not aware of this previously. If we receive the energy correctly, we will progress both materially as well as spiritually.

Q: Can we share with our friends about the Swastik? Should Om Symbol be drawn along with it?

A: Definitely. We can draw only the Swastik.

(Ms. Ramya Sunil Kumar who had asked the question on Swastik shared that she had found a place where the Swastik Symbol and Saptha Rishi Mandalam can be found. She and part of the Bangalore team had visited it. She invited Shri Rejith Kumar to visit the place and he agreed).

(Shri Rejith Kumar shared that he had a wonderful visit at Johor Bahru in Malaysia when he spoke to Mr. Kanapathy and that it was well planned).

The discussion then proceeded in confirming the Pazhani Thiruvizha arrangements. They are as follows:

i) Mr. Chellapandian to coordinate with Mr. Sugumar in making the Kavasam for Sri Anjaneyar's Moorthy. Shri Rejith Kumar assured that he has time till the pradishta to make it, when Mr. Sugumar shared that there is less time for making it before the Pazhani Thiruvizha.

ii) Mr. Prabhu confirmed on room arrangements for the visiting LMRK members. Posters – about 600 in Chennai and 400 in Pazhani are to be posted. On 20-02-20 there will be 20 to 30 volunteers to help. He shared that Mr. Baskar with the help of 10 persons will take care of the logistics of visiting members. Mr. Jagan and his team of 40 members will support in making arrangements at Pazhani. Arrangements for Media Siddhar Bhoomi and Tatwamayi teams have been done.

iii) Shri Rejith Kumar confirmed Still Photographs will be taken care of by the Kerala Team.

iv) Food arrangements for 21-02-20 have been arranged. Dinner for 50 people will be sponsored by Mr. Siddharthan of Pollachi on 20-02-20. Shri Rejith Kumar asked him to take care of breakfast and lunch requirements on 20-02-20.

v) Shri Rejith Kumar enquired about Kailaya Vadhiyam, Poikal Kutharai dance, Nadhaswaram, etc. to which Mr. Prabhu confirmed all have been booked.

vi) Mr. Nandan confirmed after giving the invites to the press and electronic media he will arrive in Pazhani by 19-02-20.

vii) LMRK Kit Bags will contain a laminated picture of the 16 Energy Points, these will get

laminated and be ready by 17-02-20. A copy of the Gowmaranatham Magazine will be kept in these bags and distributed to those who attend the Pazhani Function.

viii) Director Nandan will be coordinating with the Sakthi Vikatan team to cover the Pazhani Thiruvizha.

ix) Permissions from the Police department, the Forestry department, Aivar Malai, and Anjaneyar Malai officials have been taken and the Thiruvizha invites have been distributed to the concerned officials.

x) An Odhuvar has been arranged for the Aivar Malai event.

xi) Pooja Item responsibility was taken up by Mr. Datthathiri.S and Dr.G. Aristatil. Mr. Datthathiri confirmed that pooja items have been bought by Dr. Nirmala like Turmeric, Agarbathi, Kungumum Vibuthi, etc. has been bought. He also confirmed that he would be buying Red Roses when he arrives in Pazhani the previous day on 20-02-20.

xii) It was suggested that Red Roses and Arali flowers could be brought by bus by the Chennai LMRK Members as it is very important for the pooja. Shri Rejith Kumar asked Mr. Prabhu to take care of this as it will be required for all the three events in the Thiruvizha.

xiii) Pooja items to be collected and placed in LMRK Kit Bags by Dr. Nirmala Umashankar.

xiv) Shri Rejith Kumar shared that the LMRK T-shirts have been well designed and they should be worn by both men and women members.

xv) Dr.G. Aristatil suggested separate WhatsApp groups to be created for those arriving by bus or train to coordinate the logistics and share the schedule.

This was followed by energy passing by Shri Rejith Kumar and the meeting concluded with Shri Rejith Kumar inviting everyone to Pazhani and the members looking forward to the Pazhani Thiruvizha.

Q & A Session

Q: Has the incarnation of Kalki happened?

A: I don't know about this.

Q: Is there any connection between you and Lord Hanuman?

A: I will come to know about this in the future.

Q: Is Lord Muruga from above the 9th dimension?

A: Yes, Lord Muruga and Lord Jesus Christ are from above the 9th dimension and they are in the form of energy.

Q: To connect with the 8th and higher dimensional energies, being a normal human do we need to wait for a very long period. It is my understanding, that humans are from the 3rd dimension. If I want to connect with the 4th or 5th dimensional energy, to progress both materially and spiritually, will it be possible?

A: Normally Saints are from 4th and 5th dimensions, hence to connect with them, spiritual ability is very important.

After the Q & A session got over, the meeting concluded with Shri Rejith Kumar passing

energies to all the attendees.

The attendees were – Shri Rejith Kumar, Mr. Prakash Ramasamy, Mr. Ram, Mr.Selvaraj, Mr.Nirmal Kumar, Mr. Kanaga Subramanian, Mr.Suresh Vaidyanathan, Mr. Phani, Mr. Yuvaraj, Mr.Anand, Mr.Aighavan, Mrs. Rani Pandian, Mrs. Diya, Mrs.Ramya Subramani, Mrs.Bhanu, Mrs. Sabitha, Mrs. Priya, Mrs.Chandrika, Mrs. Surya Prabha, Mrs.Priyadharshini, and Mr.Karthik Mangalanathadurai.

16. Shri Rejith Kumar's Concall with LMRK Members on 01-03-20 at 10.30 AM

Vanakkam to everyone. Today's meeting will start with spiritual Q & A, a review on the Pazhani Thiruvizha, and will conclude with energy passing. All of you did well. We did three programs in a single day. All done correctly.

Good team. All of you thank you and my blessings to everyone.

Q & A Session

Q: In our group, we may have challenges, you help remove them. For us to get more involved in the mission's work, please help us get Muruga Peruman's blessings.

A: I pray for other's issues. I do reply and it is possible with Muruga Peruman's blessings alone. This has been happening for a long time.

Q: After the Pazhani function, did you get any direction from Muruga Peruman?

A: I haven't received any direction yet. The next duty will come and I will get all the details fully by next week. It was very auspicious as it was on Shivarathiri Day (21-02-20). Everyone worked well more than what I had expected. Everyone, thank you, the function happened well.

Q: The next day after the Pazhani function, you had many darshans. For E.g. Pooja at Valli Sunai etc. Did you feel any energy difference?

A: We took the Moorthy of Muruga Peruman (Lord Kuzhandhai Velayudha Swamy) and had a good darshan in the morning. Only we were there when the pooja at Valli Sunai was done. It is considered a secret place, where many Siddhars come. I received powerful energies that day.

Q: For the Corona Virus, are we doing any prayers?

A: Please pray to Thirumoolar Siddhar.

Q: There are a lot of issues we are currently facing in our country (India); can we pray on this?

A: What we are doing through the mission is powerful, we must stay focussed on these things, and as we do, the issues will automatically clear.

Q: Which are the places you visited to get Muruga Peruman's blessings?

A: You can read about it by visiting our website www.lionmayura.org and by clicking the Newsletter tab where you can read about it from the (Kumari Kandan E-Magazine) and also by watching my videos made by Siddhar Bhoomi Channel.

Q: In the Moondravathu Kann Program, you had mentioned about the Second Navapashana Moorthy of Muruga Peruman, can you update us on that?

A: In Pazhani, my spiritual journey started, where I was asked to meditate for 18 days. A lot of things will happen, only at the end, the Second Navapashana Moorthy of Muruga Peruman will come out.

Q: Please share any direct experience of Muruga Peruman which you have had?

A: Shri Rejith Kumar narrated the 'Raja Kolam Alankaram vision' he had experienced. In December 2012, on an auspicious Sashti Day, he was standing near the entrance of his home when he heard an ethereal voice emanating from within him that informed him that 'Muruga Peruman would be arriving in Raja Kola Alankaram'. He felt an invisible force push his chin upwards towards the sky and had a wonderful darshan of Muruga Peruman in the form of light. His body had become really hot. He was like that only for 5 minutes after this the energy disappeared into the Jyothi. For these 5 minutes, no one came outside from his home or the neighbours, no one was even on the road,

even nature seemed frozen in time. After this experience, he went inside his house, and only after 30 minutes his body came back to a normal state. He stated that this was one of the most significant experiences in his life.

Q: I had a wonderful experience during the Aivar Malai Pooja during the Pazhani function. At the time when you were chanting ‘Vetrivel Muruganukku Arohara’, I saw reddish-golden energies’.

A: Aivar Malai is a secret mystical place, even the soil around Aivar Malai is Reddish. Please go and meditate there as many Siddhas visit this place.

Q: Which is the best Alankaram for Muruga Peruman?

A: All Alankarams are special but the Raja-Kola Alankaram is most special.

Q: What is the role of Sri Anjaneyar in our Mission?

A: He is a Maha Siddhar who has attained a balance in both ‘Spiritual’ as well as ‘Power’ energies. He has been present during the Ramayana period (He brought Sanjeevani Malai to revive Lord Lakshmanan) as well as during Mahabharata (when Bhima went on a quest to find a fragrant flower for Draupadhi, he comes across a big monkey who, in reality, was Sri Anjaneyar). In the Muruga Yugam also he is active and is very much related to our mission.

Review on Pazhani Thiruvizha (Extract Summary)

Mr. Sekar- I was very happy to join the function at Pazhani. I had prayed that I should be present in all the events. It was organised very well. I received blessings from the next day. In one of the visions I had earlier had, my son appeared

with a Vel in my dream. I got the opportunity to bring a Vel to Pazhani on behalf of my family.

Mr. Sugumar – My parents had come, they were happy.

Mrs. Sarah Manthira – I am really happy to have come for the function. When we come here, we get 100% energy. I felt that both Anjaneyar Malai and Aivar Malai were powerful places. We got another blessing to see you dancing (addressed to Shri Rejith Kumar).

Mr. Venkatesan – I felt very happy to take part in the function Rejith Sir. We felt the energies during Girivalam. It was a great dance that happened, we get charged every time we see the dance video. (Shri Rejith Kumar – “I wanted to be with everyone, not like a typical Guruji, be with others and lead). I did this to break that image and enjoy myself. It is Muruga Peruman’s blessings that everyone is happy”.)

Mr. Manthira - Very happy to be at Pazhani. It was wonderful to see Muruga Peruman on the Elephant, I felt He was happily coming. Thanks to Mr. Srinivasan for creating the Prayer Group. It is very effective. There was a lot of hard work done and everything finished happily.

Mr. Karpanasamy – We really enjoyed the function which was organised well. It was because of the blessings of Muruga Peruman and the hard work of the members.

Mr. Sankar – I was very happy to see the video and images. We should continue with the video conference once a month.

Mr. Aananthan - Pazhani Function was very good, thank you very much.

Mr. Srinivasan – Anjaneyar Malai was the extra event this time. From Chennai, the team members did the groundwork in Pazhani. We

needed more contacts to do ground work at Pazhani. My inputs were less this time. A team coordinated for getting the necessary permissions, distributing notices and banners, food, and arranging NRI hospitality. The coordinators worked hard for 1.5 months and all were time-oriented. Many sleepless nights and trips were made to Pazhani to organise things. Lot of coordination with the dancers and musicians who took part in the Girivalam. It may look like a one-day event, there was a lot of learnings for the next duty. I thank all the volunteers for the hard work.

Mr. Prabhu – Hard work in Pazhani. The function happened well. Mr. Jegan felt that there could be more volunteers from our end. Kitchen duty, more coordination was required as there was food shortage. Coins didn't come on time for the Pooja. Volunteer shortage was there and coordination was missing, in some aspects.

Mr. Baskar – Thank you very much for giving me this opportunity. It all happened with help from Mr. Prabhu, the Chennai and Kerala teams. Mr. Jegan's team were highly involved and helped. Mr. Prabhu guided me at every stage. Small mistakes happened, I hope volunteers will participate more next time, to make it a success.

Mr. Devan – It was Lord Muruga's grace and blessings we were a part of the divine task. As someone pointed out because of powerful Pleiadian cluster energies we can definitely do well in our job responsibilities. Thank you, everyone. (Shri Rejith Kumar remarked Mr. Devan had helped a lot.)

Mr. Anoop – It was a good experience. Mr. Prabhu and Mr. Baskar helped. We will all work together as a team for the next duty, and do well.

Shri Rejith Kumar – In Wales, we did Pradishta, in Switzerland, we are going to do Pradishta on 12-04-20. After the pradishta of Mayura Simhasanam. Mr. Yuvaraj was sharing how the energies had increased there. The Chennai core team (Mr. Prabhu, Mr. Baskar & team) and Kerala core team (Mr. Anoop & team) joined together with Mr. Jegan's team and worked well. All happened with Muruga Peruman's blessings. Many people have worked hard so thank you for that. A lot of people have contributed financially for the Second duty - to all of you, my thanks!

Please contact me through phone or WhatsApp. This is a mission that will bring spiritual changes in the world. The foundation for 2000 years (Muruga Yugam) is getting ready. It has Muruga Peruman's blessings and protection.

This was followed by energy passing by Shri Rejith Kumar to all those who attended the meeting. May you get Muruga Peruman's blessings for the doing the duties! May all of you get Muruga Peruman's blessings! Vanakkam.

Om Saravana Bhavaya Namaha.

20. Shri Rejith Kumar's Concall with LMRK Members on 14-04-20 at 10.35 AM (IST)

Vanakkam. We will first have a Q & A Session; this will be followed by a discussion on Switzerland Pradishta and we will conclude the meeting with energy passing.

Q & A Session

Q: What is the significance of Zero Time?

A: The Mayura Simhasana Pradishta happened at the Zero Time Zone, indicative of the Greenwich Meridian Time or (GMT). The Switzerland Pradishta was done at Zero Time (00:00) hours on 12-04-20 to indicate the birth of Muruga Peruman's Avataric presence in Switzerland.

Q: What is the economy of the world to be like in the future (given the Corona Crisis)?

A: The world is now stuck at Zero state in all aspects. Only at the Zero state, Muruga Peruman has begun His Avatarhood. In 2013, Muruga Peruman's Yugam had started and His energies had begun spreading astrally (after the pradishta of the Mayura Simhasanam at Wales). **During the Second duty, we didn't know the world will get stuck, but Muruga Peruman knew what was to happen, that the world will stop, and then a new chapter in history would begin. Just the way Lord Krishna brought in new energy during His Avatarhood, similarly Muruga Peruman has been born as an Avatar and the world will take a new direction. It is at such a time Muruga Peruman has manifested His Avatarhood. When the world moves, it will also move into a state of prosperity, especially**

in Kumari Kandam related countries with Muruga Peruman's grace. For E.g. Kumari Kandam countries like India, Malaysia, Singapore, and Australia it would be a positive change. Whenever there is a change in history for some countries it will be a plus and for some countries it will be a minus. That is how it will happen.

Q: Now Muruga Peruman has now newly incarnated as an Avatar. We have been chanting 'Om Saravana Bhavaya Namaha' as of now. Do we continue with this or chant something new?

A: As of now I know only 'Om Saravana Bhavaya Namaha'. If I get to know anything else new, I will teach you then.

Q: Should we chant 'Om Saravana Bhavaya Namaha' mentally or verbally?

A: There are 2 ways of chanting it mentally and verbally. It is best if chanted mentally, please do what you can.

Q: While chanting the mantra we should not repeat the beejaksharas. In 'Om Saravana Bhavaya Mantra – 'Va' is getting repeated twice. Om Sa-Ra-Ga-Na-Bha- Va-Ya Namaha is the way of chanting it as per the Sasthras. In Tamil, we chant Om Sa-Ra-Va-Na-Bha-Va-Ya Namaha. Which is the correct way?

A: I am not aware of the alternate way. 'Om Saravana Bhavaya Namaha' is the mantra I have received and have been practicing for a long time. You will get benefits from chanting the mantra this way.

Q: Due to lockdown, the world is stuck at Zero, how does it impact the LMRK Mission?

A: Lion Mayura Royal Kingdom (LMRK) Mission was started to do Muruga Peruman's duties in the Muruga Yugam. This Yugam is for 2000

years. Muruga Yugam started in 2013. (i) Muruga Peruman's worship will spread throughout the world, (ii) Studies on Siddhar Science will be started, (iii) More knowledge on Kumari Kandam will be revealed, (iv) Tamil culture will become very powerful, (v) Bharatam - India will become very powerful. These are the kind of things that will happen in the Muruga Yugam. To set a foundation for all these a mission had to be started and that is the LMRK Mission. It was started on 01-05-17. The first duty in Muruga Yugam was the pradishta of the Mayura Simhasanam Pradishta in Wales at Zero Time Zone. As I have told you earlier for a human body there is also an astral body. Whenever something good or bad is to happen, it first manifests itself in the astral body then only the physical body. Similarly, the Earth has an astral body as well as a physical body. Whenever, changes have to start throughout the world in Earth's history, changes have to be first made to its astral body then only changes can be made in the physical. In 2013, there was an energy shift on Earth, when the Pleiadian Star Cluster Energy began to flow abundantly on Earth, it began to change the Earth's astral body and when the changes were to impact the physical, the Mayura Simhasana Pradishta was done in 2018. In the next level, only the 'Money aspect' is controlling the world. So, money control had to come under Muruga Peruman and as per His direction the distribution of Money will happen and this was when the Second duty was given.

We started work last April then we got the Moorthies. We did a grand pooja for the Moorthies at Pazhani (21-02-20). At that time, we were not aware, that the world will get stuck. However, Muruga Peruman was aware that this would happen and that's why he had come as a Navapashana Moorthy. When the world gets stuck, and a new period is to begin normally a

new Avatar would manifest. He knew He will have to manifest a new Avatarhood when the world is stuck at zero. And that's why He has manifested His Avataric presence at Zero Time. That's why I don't refer to this as a pradishta rather as the manifestation of His Avatarhood as Lord Kuzhandhai Velayudha Swamy at Zero Time. There is no need for me or anyone to do pooja, He has manifested His energy presence as an Avatar at Zero Time. ***As Lord Kuzhandhai Velayudha Swamy he will move things from where they are stuck now. When He moves two things will happen be it relating to the history of Earth or money related , it will move as per His direction. When it moves as stated earlier i) It will place the LMRK Mission in a powerful position as we are doing things as per His direction and it will move only in that direction especially related to money ii) Currency related to Kumari Kandam countries will become powerful. Iii) Worship of Muruga Peruman will spread throughout the world and more things relating to Siddhar science will come out. These things we will get to see and it is related to our mission. The world being stuck or being in lockdown is a thing that had to happen. However, when the time comes for it to move, it will move in our favour to our mission with Muruga Peruman's blessings.***

Mrs. Mary Bastin - When the world had come to a stop, during Easter, when we LMRK members were thinking how it would happen, as a surprise you had announced that Muruga Peruman has taken His Avatarhood, the first thing I thought was that Muruga peruman has selected the right captain for the mission. I know how much hard work you have conscientiously put in and how vigilantly you watched and took critical decisions at the right time for the mission. I would like to thank you very much on behalf of all our LMRK Members.

Shri Rejith Kumar - Thank you, Mary. Actually, the duty at Pazhani was not that difficult. But the duty in Europe, a lot of risk and problems were there as such energies exist there, and to go beyond those kinds of energies is very difficult. Even for the first duty in 2018, many people are aware of the difficulties we had to cross stage by stage before the pradishta could happen at Wales. Even for the Second duty, I knew there would be problems, but the difficulties went beyond my thinking level. Last time itself was difficult, so after a lot of thinking this time it was done very carefully, and the Moorthy reaching there is by itself a blessing. Mrs. Surekha had shared it would be difficult. Mr. Sujith's flight to Switzerland got cancelled and then it got preponed by two days. So, he had to collect the Moorthy from Mr. Srinivasan and catch his flight. The flight he caught was the last flight out to Switzerland from Chennai, after that the airport was closed. At Doha, most passengers were held back they allowed only those who would travel to Switzerland, he didn't have any problems there. So, he was able to catch the connecting flight to Switzerland. After getting down in Switzerland, he felt there was a chance he may go into quarantine for 14 days and asked me to pray for him. He was able to leave the airport without any issues at the checking, travel safely, take a train and without facing any problems and finally reached the meditation hall. It was a time when Switzerland was at lockdown, he did things necessary to get things ready for the pooja. I was very concerned that anything may happen at any time, every second had to be careful and this is the reason I did not share anything. After a lot of thinking it was decided the pooja would be done at Zero Time - (00:00) Hours. I had asked all of you to read Kandha Puranam at Zero Time and read the chapter relating to 'The Birth of Lord Muruga' from your

respective locations. A lot of people asked me about it, but I avoided answering them. That night we did not sleep, Mr. Srinivasan knows he didn't sleep that night. Mr. Yuvaraj was calling Mr. Sujith constantly and coordinating with him through the phone to carry the Moorthy carefully to the hall and exactly at Zero time the pradishta was done. From here at 3.30 AM (IST) I joined through video call and did my prayers from there. In my life I have not faced so many issues, it had to be done secretly and with Muruga Peruman's blessings and protection, it has been placed here. It is really a big thing.

To be frank, I had doubted if I could survive beyond this such was the tension I had to face. Muruga Peruman's and Sri Vyagrapadhar blessings were with me throughout this period. After he joined, I got the strength and felt that I could do this. All of you know I had gone to Chidambaram to pray with Mr. Datthathiri and Mr. Devan, I have felt his presence since then. He was throughout the time at my home. I sensed His presence and received powerful blessings from Him. After this Kathavirya Arjuna, Idumban, Karpanna Swamy were with me last 4-5 days. It was a very hard and careful time, but because of all Their protection we were able to go beyond all the issues, and with Muruga Peruman and Shiva Peruman's blessings, it was done successfully.

Q: We have done the pradishta of Muruga Peruman, but when would you be doing the pradishta for Sri Anjaneyar's Moorthy? Can we keep the picture of Sri Anjaneyar's Moorthy along with Muruga Peruman's picture and pray?

A: **We can definitely pray to the picture of Anjaneyar's Moorthy. When the lockdown is over, we will fix a date and do a function for Sri Anjaneyar on a Sashti day.** The date and time on which the pradishta was done (12-04-20) was

special. Apart from being an Easter day, as I got to know last week, it was the day which is commemorated as 'International Human Space Flight Day'. It is a very rare thing that both these fall on the same day and it's very important. That is the day He has taken His Avatarhood. (Shri Rejith Kumar narrated about Mr. Yuri Gagarin – Please refer 12-04-20 Facebook Live message). He shared that it was Mr. Srinivasan who had looked up the date regarding Space.

Q: You leave messages that you are going in for meditation in the groups? How much time do you meditate in a day and do you receive messages from a Siddhar or Muruga Peruman? Can you please share?

A: The meditation and prayer I did currently were different - it was for receiving the message about His Avatarhood. I had meditated for many hours in the morning as well as the evening. Normally I get the messages directly only from Muruga Peruman not from the Siddhas. Before the messages start, I will get to know as there will be subtle changes in my body's energy field. I would go and pray; it will be like getting a fax - I receive the message. After getting the message, for two or three days continuously I carefully pray and process the message.

Q. You asked us to read about the Kandha Puranam over 6 days, then you announced the Avatarhood of Muruga Peruman, what was the reason behind this may I know?

A: He was going to take His Avatarhood and it should happen well without any obstacles. I had asked you to read from the Kandha Puranam as this will invoke divine power and duty can be done well without any obstacles. I couldn't share the reason then as it had to be done very carefully and secretly. During the time of the birth of His Avatarhood, I had asked all of you to

read 'The birth story of Muruga Peruman' His Janma Rahasyam (the secret of His birth) at 12 AM from all your respective locations at (Zero Time) to receive the power so that the pradishta can be done successfully.

Q: What is the role of Lord Lakshmi Narshimar in our Mission?

A: All Mars related information will come out in future during the Muruga Yugam only because of Lord Lakshmi Narshimar's blessings. The date on which pradishta was done was on Easter and also Space day ('International Human Flight Space Day'). ***At the time of starting this duty, I only knew that this was on Easter and didn't know its connection with Space Day. Mars related information is going to come related to LMRK Mission because of Lord Narshimar's blessings. In the future we will get to see these things. A lot of Space related information will come as things related to Space is very important.***

As Chennai members may be aware, last two months, when I had visited Chennai, I had gone to St. Thomas Mount, where opposite to it there is a hill where Bringi Maharishi had meditated. This is Space related. (Shri Rejith Kumar was directed by Muruga Peruman to pray to Bringi Siddhar to get blessings on Space related information.) Last two months whenever I visited Chennai, I meditated and prayed to Bringi Maharishi. ***I have started Space related work. In this connection, I have received a Space pen and a Space watch. I didn't know earlier the pradishta date was also connected with Space. In the future a lot of Space related info i.e. Mars related information is going to be revealed, we are going to get a lot of help related to Mars from here, as it is buried only in this world and it is with Lord Lakshmi Narshimar's blessings it will be revealed.***

Q: Since Muruga Peruman's Avatarhood has happened on Moola Nakshatram, should we commemorate this?

A: The day's connection is related to Easter and Space. Sri Anjaneyar's star is Moolam. It is related to Sri Anjaneyar, Lord Jesus, and Space. There is a reason behind this but I am not able to share more on this.

Q: While reading the Kandha Puranam, I felt an Avatarhood is going to take place, especially while reading the 'Birth of Muruga' at 12 AM where I read about Devas being in difficulty and with Lord Shiva's blessings Lord Muruga was born. Similarly, I had thought that when the world now is going through a difficulty, I felt an Avatar would be born. So, when you told me He Himself had come as a Navapashana Avatar, I was really happy. This has happened by His blessings and your prayers.

A: First the pradishta of Muruga Peruman's Simhasanam happened. He has taken His Avataric presence now. Now whatever happens in the world is His Leela. We were able to overcome difficult times with the blessings and protection of Muruga Peruman and Vyagrapadhar Siddhar.

Q: After the Second duty is complete. Everyone would get the next level energies from 7-Ray Meditation from Muruga Peruman. When would that happen?

A: We will go to the next step after praying to Muruga Peruman, I will let you know.

Q: Who were the Siddhars associated with the Second duty?

A: It started with Muruga Peruman's blessings and towards the end when things got really difficult when I was concerned as to how it will proceed further Sri Vyagrapadhar helped me to

a great extent. Then Kathavirya Arjuna, Idumban, and Lord Karpanna Swamy helped, and during the last 3 days I felt Shiva Peruman's very powerful blessings were with me and with their help, the duty was done. It was tough beyond imagination. When I visited Thirumoolar Siddhar's Samadhi, I prayed ; that's where I got Sri Vyagrapadhar blessings. (Mr. Datthathiri shared that Sri Vyagrapadhar's Samadhi is at Thirupattur).

Q: About this crisis you have shared that for some countries the economy will become good. There is an alternate theory that there will be a lot of economic crises and they have been asking the Indians who have settled abroad to come back. What about their safety and security can they continue there, please share your opinion?

A: The security of LMRK members is very important to me. Even when the Corona Virus outbreak began, ***I started praying to Muruga Peruman for our safety and with Muruga Peruman's blessings, all of us that is our members and their relatives are safe. Similarly, I am praying for our financial aspect as well. There won't be any problem with that. As shared earlier even though the experts expect a crisis and the world is stuck now at Zero, at the divine timing, when it moves, it will move favourably. Whenever there is a change in history, for some it may not be in favour, but for Kumari Kandam related countries, like India, for the Tamils and the LMRK Mission it will definitely be in favour.***

Q: When it will move from Zero state?

A: We can't tell now it is not something that will happen in a day or two. Muruga Peruman has taken His Avatarhood. In the Puranam also and also in history He took birth it took some time till He defeated the Surapadman. It won't take that

much time now. Things are happening fast. ***It started in 2013, only in 2018 it has come on physical Earth and from that it has proceeded so much this year.*** Lot of positive things are happening, soon we will know about this.

(Shri Rejith Kumar's feedback on Mr. Sujith's role and the Second duty)

Mrs. Sarah Manthira – We were happy to see the pooja of Bala Murugan in Switzerland. There was good vibration when we watched the video. It was similar to the vibration we get when you do pooja and we felt you were there.

Shri Rejith Kumar - Actually, there was no need for anyone to do Pooja as Muruga Peruman has incarnated His energy presence there. That is why it is so powerful.

Mrs. Sarah Manthira – It was kind of Mr. Sujith to include as if you had come, all of us had come, it made me really happy to see this.

Shri Rejith Kumar - Do you know when I knew about Mr. Sujith, it was after I had shared the Second duty to all of you. Mr. Sujith himself called me and said he was from Switzerland and I asked him to call me back quickly and shared about the Second duty. After that he took complete ownership of the work, he searched for a place, took the Moorthy to Switzerland, and got things ready for the pooja and performed it.

Mrs. Sarah Manthira – It felt as if a Siddha himself (Reference made to Mr. Sujith) was doing the pooja.

Shri Rejith Kumar - He is a person who has joined our mission under Muruga Peruman's direction. That's why things were done correctly. His flight was the last one out to Switzerland after that airport had got closed because of lockdown. Only with Muruga Peruman's blessings, he

reached safely in Switzerland and after a lot of careful planning, inspite of the lockdown the duty was done.

Mr. Venkatesan – There seemed to have a connection in the name itself Shri Rejith and Mr. Sujith. Was it your ideas of placing individual chairs as if you and members had come? Thank you for carrying out the duty carefully even during the Corona Situation.

Shri Rejith Kumar – Thank you. It was his decision to place individual chairs for me and the LMRK members.

Introductions by Shri Rejith Kumar

To All of you Namaskaram”).

ii) I want to introduce Mr. Kumaran in Chennai whom I have recently met and become close and is one of our Film Producers. He is very devoted to Muruga Peruman. I would like to introduce him to all of you. (Mr. Kumaran greeted everyone during the concall.)

iii) ***I have created a separate group for the Ladies of LMRK (my wife will be part of it) and the purpose of the group is for the Women Members of LMRK to get Divine Mother Shakthi's energies.*** Kindly join the group. We

already have a group known as ‘Royal Council’, so kindly leave the ‘World Head Quarters’ group.

iv) I would like to introduce Mr. Premanand my close associate in Pazhani from 2006. He was part of my spiritual journey since then.

(Many members gave their wishes for Tamil New Year’s Day and Vishu and conveyed their gratitude to Shri Rejith Kumar for all the efforts taken in carefully getting the Pradishta done after which the Q & A session continued).

Please chant ‘Om Saravana Bhavaya Namaha’ during energy passing time for 5 minutes and pray well. (Shri Rejith Kumar chanted ‘Om Saravana Bhavaya Namaha’ 9 times after meditation.)

I am very happy to have seen everyone and we have completed an important duty with Muruga Peruman’s blessings well. Rather He has manifested His Avatarhood, so we can’t actually say we have done it. A new Kumari Kandam related history with Muruga Peruman’s blessings will be created. I am very happy. May everyone get Muruga Peruman’s blessings! You can call me for personal issues, healing, and prayer from tomorrow. My prayers are with you. May you get Muruga Peruman’s blessings! Om Saravana Bhavaya Namaha. The meeting concluded with the members thanking Shri Rejith Kumar.

- Mrs. Sowmya Nikhil

21. Shri Rejith Kumar’s Concall with USA and Europe LMRK Members on 14-04-20

Q: You had shared that Muruga Yugam started in 2013. As per the revelation now Lord Muruga as a Navapashana Moorthy has been born in Switzerland. He is now born in Switzerland when will changes begin to happen and translate into action?

A: Everyone has an astral as well as a physical body, similarly Earth also has an astral as well as a physical body. When the Yuga has to change it is a big process. Changes to the astral body of the Earth began in 2013, since then the astral body of the Earth is receiving lots of Pleiadian energies, With the blessings of Muruga Peruman, we have performed the pradishta of the Mayura Simhasanam at Zero Time Zone. **However, this year the significance is that Muruga Peruman Himself incarnated in the form of a Navapashana Moorthy, at a time when the world is completely stuck in Zero state including the Money aspect. So only through Muruga Peruman’s energy everything will move from Zero state to a state of prosperity. There will be a huge change, everything will need to move on including money, this will happen only through Muruga Peruman’s energy. There will be a huge change in the governing of countries and in the monetary system across the world, however Kumari Kandam related countries will be safe and will benefit immensely.**

Q: Has Lord Muruga incarnated in Child form?

A: Yes, He has incarnated in Child form as (Lord Kuzhandhai Velayudha Swamy) in Switzerland.

Q: Initially it was shared by you that the pradishta of Muruga Peruman will happen in Switzerland. However, after the prayers (on 12-04-20), you mentioned that Lord Muruga has incarnated in child form in Switzerland? Were you aware of this earlier?

A: I was not aware of this earlier, He had kept this very secret. Europe is having a different kind of energy, and it was completely against the duties we performed. We had experienced a tough time during the pradishta of the Mayura Simhasanam, it was similar for the Second duty

as well. I faced a life-threatening situation and I felt that I may not be able to survive this. However, miraculously Sri Vyagrapadhar Siddhar protected me and cleared all the obstacles that were on the way of performing the duty. He was with me for around 15-20 days, I felt his presence during this time. I also received help from Kathavirarjuna, Idumban Swami, Lord Karupana Swamy, Yeti, and Shiva Peruman. (Since the Chidambaram visit, I got to know about Vyagrapadhar Siddhar, I have felt his presence since then). When Muruga Peruman asked me to keep two Moorthies of Muruga Peruman, some of you asked as to why we needed two Moorthies, I had then answered, that one was for pooja and the other for meditation.

However, the real reason is that Muruga Peruman expected that there would be challenges, hence he asked me to keep two Moorthies ready. One of them is still here in India due to the current situation. Mrs. Surekha tried her best to send the Moorthy to Switzerland but due to the Corona crisis; shipping services have been stopped. Mr. Sujith took the responsibility and he visited Trivandrum from Switzerland, then he travelled to Chennai and collected the Navapashana Moorthy of Muruga Peruman from Mr. Srinivasan, and was luckily able to get into the last flight which goes via Doha to Switzerland. In Doha they stopped all the flights, but Swiss passengers got permission and he arrived in Switzerland. He was concerned that he may be quarantined on reaching there as it was then mandatory for all flight arrivals. Miraculously, no one stopped him, he was able to reach home safely, and as planned the pooja took place at Zero Time (00:00 Hours) in Switzerland by him.

The timing was very important. After a lot of prayers, the time had been chosen at Zero Time (12 AM). At the same time, I had requested our members to read the chapter on 'The Birth of Lord Muruga' from Kandha Puranam. It was at this time I got to know it was not a pradishta but an incarnation. Please remember that all divine incarnations happen only at Zero time.

Q: According to the Kandha Puranam. Muruga Peruman has 9 brothers – Veerabaghu Thevar, Veera Kesari, Veera Mahendra, Veera Maheswara, Veera Rakaadha, Veera Marthanda, Veera Anthaka, Veeradheera, and Veera Purandhara. Since Lord Muruga has now incarnated in Switzerland, will his brothers incarnate soon as well?

A: Of course, they will, but I do not know when they will. On the contrary, they may have already incarnated. These can only be realized from any major changes happening in the world.

Q: You had mentioned that you received help from Idumban, Kathavirya Arjuna, Yeti why not from Lord Muruga's brothers?

A: I don't know.

Q: Can this Navapashana Moorthy help cure the disease?

A: This 2nd duty has been directed by Muruga Peruman only, so yes, it will cure the disease.

Q: Who was Surapadman in his previous birth?

A: I am not aware of this.

Q: We all knew that Peacock is Lord Muruga's vahana, but while reading Kandha Puranam, we understood that Goat was once His vahana, what is the significance behind this?

A: The answer was given by other devotees. Saint Narathar conducted a yagna out of which

appeared a Goat which began to destroy all that came its way, no one was able to control the goat, but Lord Muruga subdued the goat and made it His vahana for a period, but after the victory over Surapadman, Peacock became the vahana.

Q: Is our Second duty over?

A: Yes, it is over.

Q: What is the connection between Mother Mary and Silbury Hills (U.K)?

A: She is connected with our mission; it is through Her I came to know about Silbury Hills.

Q: You have activated 17 energy points so far, then why do we still face challenges in our duties?

A: The duties that we carry out are the kind that will make changes in history, so we still need more energy.

Q: Are Atlantis and Lemuria different?

A: Yes, they are different, we are connected only with Lemuria.

Q: Why was the pradishta done in Switzerland instead of Lemuria related countries?

A: It was done in Switzerland as the duty is related to wealth.

Q: If anyone is afflicted with Corona Virus, if we were to share the Navapashana Moorthy picture of Muruga Peruman, will this cure them?

A: After sending them the picture, please ask them to connect with me.
