The 6th and last yagam would be based on the TIME dimension. He stated that every yagam had a very powerful purpose behind it and each of the yagams would help make India powerful in the Muruga Yugam. It will help India become a Vishwa Guru to the world apart from becoming economically stronger.

Therefore, it is crucial to eliminate the Deep State energies with Muruga Peruman's blessings as it is in India's destiny to become the Vishwa Guru in Muruga Yugam.

5. The Date and location of the Agni Yagam will be shared when revealed by Muruga Peruman to Shri Rejith Kumar. Shri Rejith Kumar invited everyone to attend this powerful yagam to receive the blessings of Muruga Peruman.
6. **Kumari Kandam Revelations were given to Shri Rejith Kumar by Muruga Peruman after performing the Agni Maha Homam in Palani. They are:**
 - (i) **Palani (Vayapuri) – World Capital:**

When the time came for Mother Earth to get populated by various species; people from other worlds migrated to Earth. They are our powerful Kumari Kandam ancestors. Muruga Peruman incarnated on earth to become their leader, commander-in-chief, spiritual guide, and God. He taught the Tamil language to Agasthiyar who spread it to the whole world. He made Vayapuri (World City) the world capital after defeating Asura King Surapadman in battle.

When the deluge happened; some of our Kumari Kandan ancestors migrated to other dimensions, some to other places on Earth, and some passed away. In the Kumari Kandan period, the Aarupadai Veedu which was spread across the world and later was relocated to Tamil Nadu, India. One of Muruga Peruman's Aarupadai Veedu (Lord Muruga's army camp) is Palani. Muruga Peruman has also revealed to Shri Rejith Kumar that Palani is a place where many divine secrets and knowledge relating to Kumari Kandan are stored. Hence, the name Vayapuri from the Kumari Kandan period was given to Palani by Muruga Peruman. To hide this esoteric truth, the "Mango –Wisdom fruit" story was created.

Bogar Siddhar foresaw that Palani would become the world's capital – a place from where the affairs of the world will be managed by Muruga Peruman. Bogar Siddhar also knew that Palani would become the central hub for managing world affairs in Muruga Yugam. He travelled to many places around Palani and Kodaikanal and realised that the secrets of Kumari Kandan could be found in Palani. He knew he had to create 2 Moorthies the first Moorthy a medicinal Navapashana moorthy of Muruga Peruman and the second Moorthy of Muruga Peruman made of Dark Matter. He placed the first moorthy of Muruga Peruman above the second one. (*Currently, as per Muruga Peruman's revelation, the second idol of Lord Muruga created by Bogar Siddhar is active and will be the guiding force of our world*). Bogar Siddhar handed these esoteric secrets to Pulipani Siddhar and took his Jeeva Samadhi.

Bogar Siddhar and Pulipani Siddhar knew that Palani would become the main hub from where the world's affairs would be handled in the Muruga Yugam. Muruga Peruman will once again rule the world from Palani, and the name Vayapuri will return in Muruga Yugam. Hence, the name Vayapuri was given to Palani.

We are being directed by Muruga Peruman to do a series of duties that will take India each time to the next level and make it very powerful in Muruga Yugam. The Peacock symbol in Indian Parliament and the Sengol Pradishta there in Tamil mantras are a preparation by Muruga Peruman. This happened after performing the Senthamizh Muruga Veera Chozha Peruvuvi.

Nostradamus had predicted that the world leader would rise from the triplicity of waters (Mukadal). ***Shri Rejith Kumar says as per Muruga Peruman's revelation to him that this leader is none other than Muruga Peruman Himself and Vayapuri i.e. Palani would be his capital i.e. the world's capital in Muruga Yugam. It was revealed by Muruga Peruman to Shri Rejith Kumar after the Agni Maha Homam was performed in Palani.***

The LMRK flag is the same as the Kumari Kandan flag. Hence, the LMRK Mission under the guidance of Shri Rejith Kumar and as per Muruga Peruman's divine direction has recently hoisted the LMRK Flag in Vayapuri (Palani) on 13-12-24 to serve as an energy signal for our Kumari Kandan ancestors to return to earth.

ii) The soldiers who served Muruga Peruman during the Kumari Kandan Period used to show acts of bravery when they marched to meet their beloved Lord and Commander-in-chief Muruga Peruman. It later became Padha-yathras by Muruga devotees. In today's world, Muruga Peruman's devotees show courageous acts through Vel or sulam piercings in their ear, mouth, etc., and march long distances while doing padha yathra to take darshan of their beloved Muruga Peruman be it in Palani, Tiruchendur, Sri Lanka, Malaysia, Singapore or places where Lord Muruga devotees can be found. ***Muruga Peruman has revealed to Shri Rejith Kumar that His soldiers marching and His devotees showing acts of bravery doing the padha-yathra are one and the same.***

7. Kumbh Mela:

Kumbh Mela is an ancient tradition started by Adi Shankaracharya at the 4 holy places - Haridwar, Prayagraj, Nashik, and Ujjain where drops of amrit had fallen during the Samudra Manthan (Churning of the ocean) - A cosmic battle between the Devas and Asuras over who should get the amrit (the nectar of immortality). Lord Garuda flew and took the amrit with him to prevent the Asuras from gaining immortality. The places where the amrit drops fell became holy places. To commemorate this, the Maha Kumbh Mela happens every 12 years, and the Ardh Kumbh Mela happens every four years at these four places. It is a great blessing to take the holy dip at Kumbh Mela. This year the Maha Kumbh Mela will take place in Prayagraj from (January 14th – February 26th) of 2025. The Kumbh Mela spiritual austerities conclude on the Maha Shivaratri day (26-02-25). Shri Rejith Kumar and the LMRK Mission were graciously invited by Shri Gopal - Founder of Aastha Gurukul in Ujjain to attend the Maha Kumbh Mela for 3 days in Prayagraj. Shri Gopal and his ashram have been officially offered a space (tent) by the Uttar Pradesh State Government to participate in the Kumbh Mela. Shri Rejith Kumar remembered his nostalgic Bharat Parikrama that he had undertaken and visited many sacred places along with his mother's ashes including Haridwar, where he participated in the Kumbh Mela that took place on Maha Shivarathri day (11-03-2021).

Shri Rejith Kumar was invited by a senior monk of the 2nd biggest Akhada - Niranjana Akhada to take the holy dip along with him and his fellow sadhus. Much to his pleasant surprise, the principal deity followed by the Niranjana Akhada Sadhus is Lord Karthikeya Swamy. Similarly, this time in 2025, though he was not thinking of any travel plan to his pleasant surprise. Shri Rejith Kumar and the LMRK Members have been invited to attend the Kumbh Mela and offered space which is reserved for the Akhada Pontifs and their monks. **Shri Rejith Kumar firmly believes the invitation is because of Muruga Peruman's and Adi Shankaracharyas's blessings and direction.**

Registration - In 45 minutes, 150 LMRK members had registered themselves for the Kumbh Mela event. This gave Shri Rejith Kumar a glimpse of how LMRK Members are ready to travel at a moment's notice for LMRK duties. Another link was placed in the groups for registering people who will be attending events but who will have to arrange their accommodation. Almost 1000 members have registered till date. Shri Rejith Kumar shared that there are hotels nearby from where they can visit the LMRK tent, and participate in the events.

Logistics:

The land has been given free for LMRK to pitch its tent. However, the tent cost would be paid by the LMRK Mission which is for LMRK's exclusive use. It can accommodate a maximum of 150 people out of which 70 will be Ground Force Team members. **The first 150 LMRK Members who registered will be given accommodation in the tent and will be notified through email. Others are expected to make their travel and hotel accommodation reservations.**

Shri Rejith Kumar will stay in the tent with LMRK Members and will be doing his prayers during the 3 days there. Shri Rejith Kumar has asked the LMRK members who are attending, to take care of their health as the weather would be cold and there may be air pollution. There will be a common toilet facility. LMRK Members are requested to bring warm clothes and take care of their valuables.
