

## THE STORY OF LORD MURUGA'S THRONE - THE MAYURA SIMHASANAM

The Muruga Yugam has begun! It is a period where the world's affairs would be taken care of by Lord Muruga with the help of ascended masters – the Siddhas. It began in 2013 and is to last for the next 2000 years. Muruga Peruman has assigned specific responsibilities for various spiritual masters – Lord Nandhi – for World Politics, Maha Avatar Babaji for World Peace, and Thirumoolar Siddhar for Protection against Corona Virus and other Diseases.

It has been revealed to Shri Rejith Kumar by Lord Muruga that He was once the ruler of Kumari Kandan and the inhabitants of Mother Earth not only saw Him as their ruler but also their forefather. Lord Muruga has further revealed that the people of Kumari Kandan and Mars were once in contact during the Kumari Kandan period many thousands of years ago. He describes the relationship between Kumari Kandan and Mars to that of Shiva-Shakthi energies or the Yin and Yang energies. The two energies are perfect complements of one another and helped in balancing of the universe. **The revival of these energies in the Muruga Yugam will help in the restoring of our Mother Earth to her former glory.**

As a precursor, Lord Muruga chose his divine instrument Shri Rejith Kumar from Thrissur, India in 2002 to carry out specific divine duties assigned by him which would help to usher in the necessary energies for Muruga Yugam. **He revealed to Shri Rejith Kumar that his mission was to perform many duties required to usher in the Muruga Yugam and reveal the significance of the Tamil civilization and Kumari Kandan's connection with Mars to the world.**

Shri Rejith Kumar was directed by Lord Muruga in 2017, to start a mission called the '**Lion Mayura Royal Kingdom' or (LMRK)** ([www.lionmayura.org](http://www.lionmayura.org)). It is to serve as a global platform to carry out the divine duties assigned by Lord Muruga in the Muruga Yugam. The name of the mission was given to Shri Rejith Kumar by Lord Muruga Himself. '**Lion**' represents '**Lord Lakshmi Narsimhar**' (Lord of Mars) and '**Mayura**' represents '**Lord Muruga (Lord of Kumari Kandan)**'. It is significant to know that Lord Muruga revealed to Shri Rejith Kumar that ancient Kumarikandan souls who were carriers of the 'Karthika' energies would now be awakened to come forth and join the LMRK Mission and perform the divine duties given by Him.

### Mayura Simhasana Pradishta - The First Divine Duty

The LMRK Mission through Shri Rejith Kumar received its first divine duty to perform the Pradishta of the Mayura Simhasanam which would herald the beginning of His reign on Earth from Zero Time Zone i.e. (Greenwich Meridian Time). As the energies for every new time period begins with Zero. **Sri Sakru Paramasivarasa Yogi graciously agreed to have the pradishta of the Mayura Simhasanam at Sri Thanthondri Anjaneyar Sithapedam in Port Talbot, Wales.**

The intricately designed symbols on the Mayura Simhasanam indicate its close connection with both Kumarikandam and Mars. They were chosen by Lord Muruga Himself when Shri Rejith Kumar placed the designs relating to the Mayura Simhasanam in prayers to Him during meditation.

The Mayura Simhasanam which was created as per Lord Muruga's direction was honoured at Pazhani on 30-Sep-18. The Mayura Simhasana Thiruvizha was held by LMRK Members and special prayers were offered for the Vel, Thiru Padukas and the Mayura Simhasanam at Aivar Malai followed by a Girivalam around Pazhani Malai and a Public

**Shri Rejith Kumar stated** "The pradishta of the Mayura Simhasanam at Wales is a new beginning for humanity at large. It is Muruga Peruman's symbol of protection and a clear indicator that He would be at the helm of all its affairs. We humbly ask Muruga Peruman to guide us through the forthcoming life changing times and lead us to His Divine Lotus Feet".
