

SHRI REJITH KUMAR'S MESSAGES FROM TAIWAN

Vanakkam. I have reached Taiwan. Today is the 2nd day. In two days, I visited a few temples/places, but unfortunately, due to technical errors, the video recording could not be completed. That is why I am sharing, because the video I am releasing now may feel incomplete without the former details.

After Armenia, I reached Taiwan. ***My travel target here is the Aarupadai Veedu (Army Camp) of Lord Muruga.*** As you know, my recent travels have been towards the Chinese border. After the Yin-Yang Yagam, the changes that ensued impacted the world, as all of you are aware. I had mentioned earlier that on each of my birthdays, Lord Muruga would lead me to mysterious places like Dharmshala (Himachal Pradesh), the Spiti Valley (Himachal Pradesh), Gangtok (Sikkim), and, last year, Twang (Arunachal Pradesh). I have now reached Taiwan, located near the border of China. Taiwan is only 120 kilometres away from China. This visit is a duty to pray at another border of China. This is the duty assigned by Lord Muruga for Muruga Yugam. It must continue....

In my last travel to Armenia, I was accompanied by Mr. Jeevan (Dubai) & Mr. Yuvaraj (U.K.). Jeevan recently joined LMRK and is actively contributing to LMRK duties. Yuvaraj is a UK citizen from Chennai. Yuvaraj has been associated with LMRK since the Mayura Simhasana Pradishta in 2018. and his contributions from then have been significant.

Mr. Vejendran (Vijay) and Mr. Sukumar who have accompanied me to Taiwan are both Tamils settled in Malaysia. Sukumar has been with the LMRK mission since 2017. He runs a company in Malaysia. His contributions are significant. Vijay is a friend of Sukumar, holding a senior position in Toyota, looking after the business of 7 countries, flying in between countries. Suddenly, he was diagnosed with Cancer. The doctors did not hold much hope for him; it was then Sugumar introduced Vijay to me. As I am always saying, I am only offering my prayers on behalf of you to Lord Muruga's lotus feet. If he approves the request, then things begin to move. I placed a request for Vijay, and Lord Muruga approved the request. He recovered very soon and recently performed the Kailasa parikrama. He has work connections in Taiwan. Toyota company's main dealer is from Taiwan, so he has travelled to Taiwan several times. Hence, he is coordinating the Taiwan visit.

Taiwan is the 4th Padai Veedu of Lord Muruga; the order may be incorrect. Till now, Lord Muruga revealed to me 3 Padai Veedu's, so, I am regarding the location inside the sea near Taipei (Taiwan) as the fourth one.

In the Kumari Kandam period, Aarupadai Veedu (6 Army Camps of Lord Muruga) were spread all over the world. After Kumari Kandam sank, those who migrated to Tamil Nadu re-built the replicas of the Aarupadai Veedu there. They are Palani, Tiruttani, Swamimalai, Thiruparankundram, Pazhamudhirsolai, and Thiruchendur. Those who settled in Palani named it 'Vayapuri'. 'Vaya' means 'World' in Tamil, and 'Puri' means 'Capital'. Hence, 'Vayapuri' means 'World Capital'. Vayapuri (now known as Palani) was Lord Muruga's capital from where he ruled Kumari Kandam. The soldiers then used to march to meet their King Lord Muruga in the form of a procession.

In Muruga Yugam, the energy of Lord Muruga, as it was in the Kumari Kandam era, must be restored. Now, this is a time for change, and in this time period, our country Bharat (India) will be a superpower. LMRK's duties are to support this process as per the order of Lord Muruga.

Muruga Yugam began in the astral dimension in 2013 and manifested its presence on physical earth in 2020. We can refer to the changes effected in World Geopolitics after the energy shift and how it has helped Bharat. ***LMRK duties played a key role in the energy shift that we can now experience.***

As part of the duties, after my spiritual journey of 12 years from 2004-2016, I founded the LMRK Mission (in 2017) as per Lord Muruga's direction, on a Shashti day, after offering prayers in Palani. ***Each and every duty of LMRK is only to uplift our Nation. We can experience the changes in the world as each duty is completed. Definitely, Bharat will regain its superpower status.***

In 2018, the information regarding the Padai Veedus was revealed to me, the first Padai Veedu, as per Lord Muruga, is in the Blue Mountains, Sydney (Australia). I visited there and prayed as per the instructions given by Lord Muruga. (Recently, the Australian government released the news that they have found proof of human life that existed before the Ice Age. Normally Ice Age starts after the destruction of an Era. During the Ice Age, the land was affected by floods, then covered with ice, and after that, a new era began). ***Blue Mountain is a place where Lord Muruga's Holy Foot Imprints can be found.*** (Recently, Sri Mohanji called me and shared that one of his followers had some land in Australia, and that his astrologer informed him that his land had a connection with the Siddhas. On hearing this, Mohanji remembered the information already given by me that Australia is the land of the Siddhas. He wanted me to check whether any Pooja or rituals are to be performed on that land. I replied to him that I needed to do prayers after coming back before taking any action relating to this).

Then the 2nd Padai Veedu was revealed in 2018 itself. It is Reunion Island, located near South Africa. My visit to Reunion Island was before the Mayura Simhasana Pradishta in Wales (UK). Reunion Island is part of France and administered by the French government. This is a small island where 40% of the population is Tamil. The official language is French here. There are many Murugan Temples here, but the Tamils here do not speak Tamil, nor are they aware of the Tamil civilisation.

The 3rd Padai Veedu was revealed in 2020 as Ujjain. I visited and prayed in these places as per the instructions of Lord Muruga. In 2021, we offered our prayers in Ujjain before performing the Skanda Bharata Maha Yagam. From 2018 to 2020, 3 Padai Veedus were revealed - (The Blue Mountains) Australia, Reunion Island, and Ujjain. Now, after five years, the information about the 4th Padai Veedu has been revealed by Lord Muruga to me. It is located in the Taiwan Sea trench (perhaps the land that had existed during the Kumari Kadam period had sunk into the sea).

The duty assigned to me by Lord Muruga is to offer prayers and release the energy of these energy points. Thus three Padai Veedus of Lord Muruga were activated by 2020. After activation, the world has witnessed the changes that have happened and impacted the world. ***The 4th Padai Veedu is to be activated from Taiwan, and prayers are to be offered to the Kumari Kadam souls. I am here to complete these duties. After the 4th Padai Veedu is activated, we can wait and see the changes that would ensue because of this.***

My duty has begun here, and I will share with you some related videos.

i) Message from Xuanguang Temple:

Now I am in a Taiwanese temple. This temple is situated in a strait. My plan is to visit various places in Taiwan – its land, sea, mountains, etc. As part of it, I am now in a place called Sun Moon Lake. There is a small temple here - the Xuanguang Temple. It is related to Xuan Zang (Hiuen Tsang). We may have read about Fa Hein and Hiuen Tsang relating to their well-known travel stories to India. After Hiuen Tsang visited India, he established Buddhism in China. Hiuen Tsang's head relic (a relic of his brain) is housed in this temple along with his idol.

Hiuen Tsang was a great Chinese scholar who had travelled to India (the birthplace of Buddhism). His blessings are important for fulfilling my duty in Taiwan. I prayed to Hiuen Tsang and Lord Muruga for the successful completion of my duty. Today is a special day because it is Vallalar Jayanthi (05-10-25).

From here, you can see a small island called Lalu Island. This is occupied by Tribals, and the public is not allowed entry. The Temple is related to both Taoism and Buddhism.

i) Message from Wenwu Temple

The next temple I visited is the Wenwu Temple. Here, also it is related to Taoism and Buddhism. Lao-tzu, the founder of Taoism, is Bhogar Nathar (as per Lord Muruga's revelation to Shri Rejith Kumar). He is the founder of Taoism. His Chinese name is Lao-Tzu. He has written a book, Tao Te Ching. Lao-Tzu had a contemporary named Confucius. We may have read about him in school. We can find his temple here, along with temples related to Taoism and Buddhism.

iii) Message while travelling to Guishan Island (Taiwan)

I am travelling in a boat to offer my prayers to Lord Muruga for the Kumari Kandan souls to reconnect.

Vetrivel Muruganukku Arohara!

Gnana Vel Muruganukku Arohara!

Gnana Dhandayudhapanikku Arohara!

Veera Vel Muruganukku Arohara!

Jai Pazhani Andava!

I have performed the Pooja to activate the 4th Aarupadai Veedu now.

My duties in Taiwan were to:

- i) Activate the 4th Aarupadai Veedu of Lord Muruga.***
- ii) Pray for the Kumari Kandan Souls to reconnect with our world with the help of Lord Muruga.***
- iii) Pray for the New World Order (India-China-Russia) to come to power with the help of Lord Muruga.***

My duty as per Lord Muruga's direction has been completed, and my heart is filled with happiness and gratitude. I have performed these duties under the direction and protection of Lord Muruga only. My prayers for all of you. May all of you get Lord Muruga's blessings!

iv) Message from Yangmingshan National Park

Vanakkam. I am now on a mountain. As I had shared earlier, I wanted to travel to as many places as possible. I have done my prayers in the sea (for the 4th Padai Veedu), and prayed for the Kumari Kandan souls to reconnect by offering roses to Lord Muruga in the sea. Now I am on a mountain, but I have travelled over water, hill, town, etc. in Taiwan, chanting 'Om Saravanabhavaya Namaha', and have offered my prayers to the Kumari Kandan souls.

Earlier, I had shared about two things: one, that there is an ancient connection between India and China, and the second was about the Padai Veedus. One more important point is about the Siddhas.

In ancient times, Bhogar Nathar travelled a lot to China. His Guru Sri Kalanginathar (Confucius) went into Samadhi in China, Pulipani Siddhar is of Chinese descent, Fa-Hien and Hiuen Tsang were Chinese travellers who travelled to India and back. Like this, there are many interconnections and travels between India and China in ancient times.

I am following the same route as the Siddhars. The land where the Siddhars lived, I am on that same land. There is no difference between China and Taiwan. There is only a difference of about 120 kilometres between them.

Although there is a dispute regarding to which country the land belongs to, the civilisation is one and the same. Most Siddhars have definitely visited this place and left their holy foot imprints on this sacred soil. I have been travelling through this land, praying to Bhogar Nathar, Kalanginathar, and Pulipani Siddhar. We know about the story of Bodhi Dharma (the Tamil Film 'Ezham Arivu' is based on him). Here, he is called Damo. I am travelling through the same land where many Siddhas, whom we are unaware of, have left their holy imprints. I am filled with happiness as I have successfully completed the instructions given by Lord Muruga.

Vetrivel Muruganukku Arohara!

Veeravel Muruganukku Arohara!

Gnana Dhandayudhapanikku Arohara!

Jai Pazhani Andava!!
